

**OCBC BANK ANNOUNCES APPOINTMENT OF NEW OCBC  
SECURITIES HEAD**

*Mr Raymond Chee succeeds Mr Hui Yew Ping as Managing Director of  
OCBC Securities*

Singapore, 1 August 2012 – Oversea-Chinese Banking Corporation Limited (“OCBC Bank”) today announced the appointment of Mr Raymond Chee as the Managing Director of OCBC Securities with effect from 6 August 2012. He will take over from Mr Hui Yew Ping, who is leaving the company to pursue his personal interests.

Mr Raymond Chee, 41, has been the Head of Cash Management at OCBC Bank’s Global Transaction Banking since June 2010. He has – over the past 10 years – held various senior positions in Global Transaction Banking, including managing its fiduciary services business under OCBC Trustee Limited.

Mr Chee joined OCBC Bank as a relationship manager in corporate banking more than 17 years ago. In his last stint in transaction banking, Mr Chee led the successful completion of the first local RMB cross border trade settlement by a Singapore bank. Under his leadership, OCBC Bank has clinched several major cash management mandates from both the public and private sectors in Singapore. He has also led the team to win several industry awards, including Best SME Bank for Cash Management by The Asset.

In 2011, Mr Chee was nominated by FinanceAsia as one of the top 20 persons in cash management in Asia.

Mr Ching Wei Hong, Chief Operating Officer of OCBC Bank, said: “The stockbroking business is an integral part of our wealth management platform. Under Yew Ping’s leadership over the past seven years, OCBC Securities has been transformed into a leading broker in Singapore that offers global trading capabilities in 14 stock exchanges, futures and leveraged foreign exchange contracts, multi-currency share financing and award-winning mobile trading platforms. The OCBC senior management team would like to thank Yew Ping

for his many contributions, and wish him every success in his new endeavours.”

Mr Ching added: “Raymond's past successes have prepared him well for the new role he will be assuming in the OCBC Group. I am confident he will be able to build on the foundation laid by Yew Ping and bring OCBC Securities to a new level of growth.”

## **About OCBC Bank**

OCBC Bank is the longest established Singapore bank, formed in 1932 from the merger of three local banks, the oldest of which was founded in 1912. It is now the second largest financial services group in Southeast Asia by assets and one of the world's most highly-rated banks, with an Aa1 rating from Moody's. It is ranked by Bloomberg Markets as the world's strongest bank in 2011 and 2012.

OCBC Bank and its subsidiaries offer a broad array of specialist financial and wealth management services, ranging from consumer, corporate, investment, private and transaction banking to treasury, insurance, asset management and stockbroking services.

OCBC Bank's key markets are Singapore, Malaysia, Indonesia and Greater China. It has a network of over 500 branches and representative offices in 15 countries and territories, including about 400 branches and offices in Indonesia that are operated by its subsidiary, Bank OCBC NISP.

OCBC Bank's insurance subsidiary, Great Eastern Holdings, is the largest insurance group in Singapore and Malaysia by assets. Its asset management subsidiary, Lion Global Investors, is one of the largest private sector asset management companies in Southeast Asia. Private banking services are provided by subsidiary Bank of Singapore, which continued to gain industry recognition in 2011 including being voted “Outstanding Private Bank in Asia Pacific” by Private Banker International.

## **About OCBC Securities Pte Ltd**

OCBC Securities Private Limited (“OCBC Securities”) is a wholly-owned subsidiary of OCBC Bank and member of the Singapore Exchange Securities Trading Limited (SGX-ST) and the Singapore Exchange Derivatives Trading Limited (SGX-DT).

Established in 1986, it is one of the leading securities and futures broking firms in Singapore providing full brokerage services for securities, derivatives and leveraged foreign exchange trading.
