Leap into your future

Fast track your career in just 18 months

Step into the fast lane with OCBC Ignite. The accelerated career programme for forward-thinking final-year polytechnic students. In 18 months you'll reach the same level as a fresh university graduate. Give us your ambition and we'll turn you into the banking professional of tomorrow.

Features to put you at the forefront

Accelerated career growth
Industry-leading structured, ongoing professional development

Broad-based in-division exposure
Business rotations for broadened expertise and networking

Practical on-the-job experience
Hands-on experience within live teams on real-world projects

Support to feel and be your best
Comprehensive flexible benefits and holistic wellbeing policies

Ignite is for you if you are:

- ✓ A final-year student at any Polytechnic
- ✓ Forward-thinking with a passion for problem solving
- ✓ Interested in banking and financial services

“

Ignite fuels my professional journey and propels me towards my dream job.
