“Discount” = the discount that would have been received by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market; and

“T” = the number of days in the Dividend Period concerned.

If on any SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined by the Calculation Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about 11.00 a.m., Singapore time, on such SOR Determination Date as being their cost (including the cost occasioned by or attributable to

complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Dividend Period, an amount equal to the aggregate Liquidation Preference for such Dividend Period by whatever means they determine to be most appropriate, or if on such SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the Average Swap Rate for the relevant Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about 11.00 a.m., Singapore time, on such SOR Determination Date.

“**SOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

“**Reference Banks**” means three major banks in Singapore selected by the Calculation Agent.

(d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class A Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7A** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class A Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class A Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class A Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class A Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class A Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class A Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7A(5)** below.

“**Parity Obligations**” means **(I)** any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or **(II)** any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7A**) if:
- (i)** the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii)** the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii)** the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class A Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

“Distributable Reserves” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**“Available Amounts”**) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class A Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **“Distributable Reserves”** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

“Dividend Determination Date” means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7A(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**“Dividend Limitation Notice”**) to the share registrar of the Company for the time being (**“Registrar”**) and the Class A Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class A Preference Shareholder except that where the Class A Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class A Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class A Preference Shares are listed on Singapore Exchange Securities Trading Limited (**“SGX-ST”**) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7A(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7A(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class A Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class A Preference Shareholder shall be

entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"Relevant Proportion" means:

(i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7A**, be made to the Class A Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7A**, the Class A Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class A Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

- (ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem, any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class A Preference Shareholders).

- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class A Preference Share shall bear interest against the Company.

- (l) **Net Dividends.** For the avoidance of doubt:

- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7A** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

- (aa) to pay, or make available to any Class A Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class A Preference Shareholders for not paying or not making available such Tax Credits;

- (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class A Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class A Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class A Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of

31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

(a) Rights Upon Liquidation. In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class A Preference Shares, the Class A Preference Shares shall rank:

- (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
- (ii)** *pari passu* with all Parity Obligations of the Company; and
- (iii)** senior to the holders of the Company's ordinary shares and any other securities or obligations of the Company that are subordinated to the Class A Preference Shares.

On such a dissolution or winding-up, each Class A Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7A(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class A Preference Shares.

(b) Pro Rata Liquidation Distribution. If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class A Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.

(c) No Further Rights to Participate in Assets. Save as set out in this **Article 7A**, the Class A Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

(a) Optional Redemption. The Company may, at its option, redeem in whole, but not in part, the Class A Preference Shares for the time being issued and outstanding:

- (i) on the date falling 10 years after the Issue Date; and
- (ii) on each Dividend Date thereafter,

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class A Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class A Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7A(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7A**.

“**Tax Event**” means that, as a result of any change after the date of issuance of the Class A Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class A Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class A Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
- (i) the satisfaction of the Redemption Conditions; and
 - (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7A**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class A Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **M&A Redemption.** In the event that the Class A Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class A Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60 days’ notice to the holders of the Class A Preference Shares in the manner set out in **Article 7A(4)(f)** below (which notice shall be irrevocable). On the date of redemption specified in such notice, the Company shall be bound to redeem the Class A Preference Shares on payment of the Redemption Amount.
- (e) **Cash Redemption.** Any redemption of the Class A Preference Shares shall be made in cash.
- (f) **Redemption Notice.** If the Class A Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class A Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class A Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class A Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such

stock exchange(s) may require. In addition, for so long as the Class A Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7A(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class A Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class A Preference Shareholders may surrender share certificates (if applicable) in respect of the Class A Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (g) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7A(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class A Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7A(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class A Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class A Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class A Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class A Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class A Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7A(5)**, the Class A Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.

- (b) **Class Meetings.** The Class A Preference Shareholders shall be entitled to attend class meetings of the Class A Preference Shareholders. Every Class A Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class A Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class A Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class A Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class A Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class A Preference Shareholders). Every Class A Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class A Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class A Preference Shares. No repurchase of any Class A Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class A Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class A Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class A Preference Shares shall be made by the Company to any Class A Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class A Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class A Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7A(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7A(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class A Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class A Preference Shares) shall require:

- (a)** the consent in writing of the holders of at least 75 per cent. of the outstanding Class A Preference Shares; or
- (b)** the sanction of a special resolution passed at a separate class meeting of the Class A Preference Shareholders (the quorum at such class meeting to be such number of Class A Preference Shareholders holding or representing not less than two-thirds of the outstanding Class A Preference Shares),

provided that:

- (i)** no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class A Preference Shareholders, impose any material obligation on the Class A Preference Shareholders or materially adversely affect their voting rights);
- (ii)** no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class A Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class A Preference Shares);
- (iii)** no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class A Preference Shares in accordance with this Constitution; and
- (iv)** no provision of the Class A Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class A Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class A Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class A Preference Shareholder in accordance with **Article 7A(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class A Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class A Preference Share (not being a fully paid Class A Preference Share); provided that where any Class A Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class A Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class A Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class A Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class A Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class A Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7A** and the other provisions of this Constitution, then the provisions of this **Article 7A** shall prevail.

7B. Class B Preference Shares

Class B
Preference
Shares

The Class B Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class B Preference Share shall have a liquidation preference of S\$100 ("**Liquidation Preference**").

(2) **Dividends**

(a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7B(2)(d), (f)** and **(g)** below, the Class B Preference Shares shall entitle the holder thereof (each, a **“Class B Preference Shareholder”**) to receive a non-cumulative preferential cash dividend (**“Dividend”**) on the Liquidation Preference thereof calculated on the bases set out in **Article 7B(2)(c)** below.

(b) **Dividend Payment Dates.** The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a **“Dividend Date”**) when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) (**“Board”**).

The first Dividend Date shall:

(i) if the date (**“Issue Date”**) on which the Class B Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;

(ii) if the Issue Date falls **(I)** on or after 20 June in any calendar year and **(II)** before 20 December in the same calendar year, be on 20 December in that calendar year; and

(iii) if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class B Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7B(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class B Preference Shareholders or entitle the Class B Preference Shareholders to any claim in respect thereof against the Company.

“Business Day” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

(c) **Fixed Dividend Rate.** Each Class B Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

“Dividend Period” means the period from, and including, the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

(d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class B Preference Shares shall be at the

sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7B** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class B Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class B Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class B Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class B Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class B Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class B Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7B(5)** below.

"Parity Obligations" means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any

preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7B**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore (“**MAS**”) from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class B Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

“**Distributable Reserves**” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (“**Available Amounts**”) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class B Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and “**Distributable Reserves**” as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

“Dividend Determination Date” means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7B(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**“Dividend Limitation Notice”**) to the share registrar of the Company for the time being (**“Registrar”**) and the Class B Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class B Preference Shareholder except that where the Class B Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class B Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class B Preference Shares are listed on Singapore Exchange Securities Trading Limited (**“SGX-ST”**) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7B(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7B(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class B Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class B Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“Relevant Proportion” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:
- (aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and
 - (bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7B**, be made to the Class B Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7B**, the Class B Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class B Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

(ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class B Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the

Company. No Dividends or other moneys payable on or in respect of a Class B Preference Share shall bear interest against the Company.

(I) Net Dividends. For the avoidance of doubt:

- (i)** while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7B** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and
- (ii)** nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa)** to pay, or make available to any Class B Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class B Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb)** to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
 - (cc)** to ensure that it has any Tax Credits at any time, regardless of whether any Class B Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class B Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class B Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

- (a) Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class B Preference Shares, the Class B Preference Shares shall rank:
 - (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii)** *pari passu* with all Parity Obligations of the Company; and
 - (iii)** senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class B Preference Shares.

On such a dissolution or winding-up, each Class B Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7B(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class B Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class B Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7B**, the Class B Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) **Redemption**

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class B Preference Shares for the time being issued and outstanding:
 - (i) on the date falling five years after the Issue Date; and
 - (ii) on each Dividend Date thereafter,

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class B Preference Shares.

(b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class B Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7B(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7B**.

“**Tax Event**” means that, as a result of any change after the date of issuance of the Class B Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class B Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class B Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7B**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class B Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **M&A Redemption.** In the event that the Class B Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class B Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60 days’ notice to the holders of the Class B Preference Shares in the manner set out in **Article 7B(4)(f)** below (which notice shall be irrevocable). On the date of redemption specified in such notice, the Company shall be bound to redeem the Class B Preference Shares on payment of the Redemption Amount.
- (e) **Cash Redemption.** Any redemption of the Class B Preference Shares shall be made in cash.
- (f) **Redemption Notice.** If the Class B Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class B Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class B Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class B Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class B Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7B(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class B Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class B Preference Shareholders may surrender share certificates (if applicable) in respect of the Class B Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (g) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7B(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class B Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7B(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class B Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class B Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class B Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class B Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class B Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7B(5)**, the Class B Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class B Preference Shareholders shall be entitled to attend class meetings of the Class B Preference Shareholders. Every Class B Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class B Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class B Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class B Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class B Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class B Preference Shareholders). Every Class B Preference Shareholder who is present in person at such general

meetings shall have on a show of hands one vote and on a poll one vote for every Class B Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class B Preference Shares. No repurchase of any Class B Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class B Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class B Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class B Preference Shares shall be made by the Company to any Class B Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class B Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class B Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7B(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7B(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class B Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class B Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class B Preference Shares; or

- (b) the sanction of a special resolution passed at a separate class meeting of the Class B Preference Shareholders (the quorum at such class meeting to be such number of Class B Preference Shareholders holding or representing not less than two-thirds of the outstanding Class B Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class B Preference Shareholders, impose any material obligation on the Class B Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class B Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class B Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class B Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class B Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class B Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class B Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class B Preference Shareholder in accordance with **Article 7B(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class B Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class B Preference Share (not being a fully paid Class B Preference Share); provided that where any Class B Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class B Preference Shares from taking place on an open and proper basis; and

- (b) any transfer of a Class B Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class B Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class B Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class B Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7B** and the other provisions of this Constitution, then the provisions of this **Article 7B** shall prevail.

7C. Class C Preference Shares

Class C
Preference
Shares

The Class C Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class C Preference Share shall have a liquidation preference of S\$100 ("**Liquidation Preference**").

(2) Dividends

- (a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7C(2)(d), (f)** and **(g)** below, the Class C Preference Shares shall entitle the holder thereof (each, a "**Class C Preference Shareholder**") to receive a non-cumulative preferential cash dividend ("**Dividend**") on the Liquidation Preference thereof calculated on the bases set out in **Article 7C(2)(c)** below.
- (b) **Dividend Payment Dates.** The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a "**Dividend Date**") when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) ("**Board**").

The first Dividend Date shall:

- (i) if the date ("**Issue Date**") on which the Class C Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;

- (ii) if the Issue Date falls (I) on or after 20 June in any calendar year and (II) before 20 December in the same calendar year, be on 20 December in that calendar year; and
- (iii) if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class C Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7C(2)(d), (f) and (g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class C Preference Shareholders or entitle the Class C Preference Shareholders to any claim in respect thereof against the Company.

“Business Day” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

- (c) **Fixed Dividend Rate.** Each Class C Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

“Dividend Period” means the period from, and including, the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

- (d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class C Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7C** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.
- (e) **Ranking.** The Class C Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class C Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class C Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class C Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

(aa) the Class C Preference Shares; or

(bb) any other Parity Obligations,

unless approved by the Class C Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7C(5)** below.

“**Parity Obligations**” means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

(f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7C**) if:

- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore (“MAS”) from making payment in full of dividends or other distributions when due on Parity Obligations; or
- (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
- (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class C Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

“**Distributable Reserves**” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (“**Available Amounts**”) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class C Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and “**Distributable Reserves**” as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

“**Dividend Determination Date**” means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7C(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (“**Dividend Limitation Notice**”) to the share registrar of the Company for the time being (“**Registrar**”) and the Class C Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class C Preference Shareholder except that where the Class C Preference

Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class C Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class C Preference Shares are listed on Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7C(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7C(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class C Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class C Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:
- (aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and
 - (bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:
- (aa) the full Liquidation Distribution before any reduction or abatement hereunder; and
 - (bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

- (i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7C**, be made to the Class C Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7C**, the Class C Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.
- (j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:
- (i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class C Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or
 - (ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),
- in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class C Preference Shareholders).
- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class C Preference Share shall bear interest against the Company.
- (l) **Net Dividends.** For the avoidance of doubt:
- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7C** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and
 - (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class C Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class C Preference Shareholders for not paying or not making available such Tax Credits;

- (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class C Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class C Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class C Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) **Liquidation Distributions**

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class C Preference Shares, the Class C Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations of the Company; and
 - (iii) senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class C Preference Shares.

On such a dissolution or winding-up, each Class C Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7C(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class C Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class C Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7C**, the Class C Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class C Preference Shares for the time being issued and outstanding:
 - (i) on the date falling 10 years after the Issue Date; and
 - (ii) on each Dividend Date thereafter,

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class C Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class C Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
 - (i) the satisfaction of the Redemption Conditions; and
 - (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7C(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7C**.

“**Tax Event**” means that, as a result of any change after the date of issuance of the Class C Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class C Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class C Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7C**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class C Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

(d) **M&A Redemption.** In the event that the Class C Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class C Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60 days’ notice to the holders of the Class C Preference Shares in the manner set out in **Article 7C(4)(f)** below (which notice shall be irrevocable). On the

date of redemption specified in such notice, the Company shall be bound to redeem the Class C Preference Shares on payment of the Redemption Amount.

- (e) **Cash Redemption.** Any redemption of the Class C Preference Shares shall be made in cash.
- (f) **Redemption Notice.** If the Class C Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class C Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class C Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class C Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class C Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7C(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class C Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class C Preference Shareholders may surrender share certificates (if applicable) in respect of the Class C Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (g) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7C(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class C Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7C(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class C Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class C Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class C Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class C Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class C Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7C(5)**, the Class C Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class C Preference Shareholders shall be entitled to attend class meetings of the Class C Preference Shareholders. Every Class C Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class C Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class C Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class C Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class C Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class C Preference Shareholders). Every Class C Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class C Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class C Preference Shares. No repurchase of any Class C Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class C Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class C Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class C Preference Shares shall be made by the Company to any Class C Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class C Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class C Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7C(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7C(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class C Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class C Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class C Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class C Preference Shareholders (the quorum at such class meeting to be such number of Class C Preference Shareholders holding or representing not less than two-thirds of the outstanding Class C Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class C Preference Shareholders, impose any material obligation on the Class C Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class C Preference Shares (the creation or issue of such other shares, regardless

of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class C Preference Shares);

- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class C Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class C Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class C Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class C Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class C Preference Shareholder in accordance with **Article 7C(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class C Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class C Preference Share (not being a fully paid Class C Preference Share); provided that where any Class C Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class C Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class C Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class C Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class C Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.

- (b) **Newspaper Publication.** For so long as the Class C Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) **Others**

In the event of any conflict or inconsistency between the provisions of this **Article 7C** and the other provisions of this Constitution, then the provisions of this **Article 7C** shall prevail.

7D. Class D Preference Shares

Class D
Preference
Shares

The Class D Preference Shares shall have the following rights and be subject to the following restrictions.

(1) **Liquidation Preference**

Each Class D Preference Share shall have a liquidation preference of US\$1,000 (“**Liquidation Preference**”).

(2) **Dividends**

(a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7D(2)(d), (f)** and **(g)** below, the Class D Preference Shares shall entitle the holder thereof (each, a “**Class D Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Article 7D(2)(c)** below.

(b) **Dividend Payment Dates.** The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a “**Dividend Date**”) when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) (“**Board**”).

The first Dividend Date shall:

- (i) if the date (“**Issue Date**”) on which the Class D Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;
- (ii) if the Issue Date falls **(I)** on or after 20 June in any calendar year and **(II)** before 20 December in the same calendar year, be on 20 December in that calendar year; and
- (iii) if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class D Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7D(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class D Preference Shareholders or entitle the Class D Preference Shareholders to any claim in respect thereof against the Company.

“**Business Day**” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore, New York and London.

- (c) **Fixed Dividend Rate.** Each Class D Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in United States dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 360.

“**Dividend Period**” means the period from, and including, the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

- (d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class D Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7D** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

- (e) **Ranking.** The Class D Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class D Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class D Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class D Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class D Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class D Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7D(5)** below.

“Parity Obligations” means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7D**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore (“**MAS**”) from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class D Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

“Distributable Reserves” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**“Available Amounts”**) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class D Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **“Distributable Reserves”** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

“Dividend Determination Date” means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7D(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**“Dividend Limitation Notice”**) to the share registrar of the Company for the time being (**“Registrar”**) and the Class D Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class D Preference Shareholder except that where the Class D Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class D Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class D Preference Shares are listed on Singapore Exchange Securities Trading Limited (**“SGX-ST”**) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7D(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7D(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class D Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class D Preference Shareholder shall be

entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"Relevant Proportion" means:

(i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7D**, be made to the Class D Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7D**, the Class D Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class D Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

- (ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class D Preference Shareholders).

- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class D Preference Share shall bear interest against the Company.

- (l) **Net Dividends.** For the avoidance of doubt:

- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7D** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

- (aa) to pay, or make available to any Class D Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class D Preference Shareholders for not paying or not making available such Tax Credits;

- (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class D Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class D Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class D Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident

companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

- (a) Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class D Preference Shares, the Class D Preference Shares shall rank:
- (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii)** *pari passu* with all Parity Obligations of the Company; and
 - (iii)** senior to the holders of the Company's ordinary shares and any other securities or obligations of the Company that are subordinated to the Class D Preference Shares.

On such a dissolution or winding-up, each Class D Preference Share shall be entitled to receive in United States dollars an amount equal to the Liquidation Distribution.

"Liquidation Distribution" means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7D(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

"Permitted Reorganisation" means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class D Preference Shares.

- (b) Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class D Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) No Further Rights to Participate in Assets.** Save as set out in this **Article 7D**, the Class D Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class D Preference Shares for the time being issued and outstanding:

- (i) on the date falling five years after the Issue Date; and
- (ii) on each Dividend Date thereafter,

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class D Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class D Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7D(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7D**.

“**Tax Event**” means that, as a result of any change after the date of issuance of the Class D Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class D Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class D Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
- (i) the satisfaction of the Redemption Conditions; and
 - (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7D**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class D Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **M&A Redemption.** In the event that the Class D Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class D Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60 days’ notice to the holders of the Class D Preference Shares in the manner set out in **Article 7D(4)(f)** below (which notice shall be irrevocable). On the date of redemption specified in such notice, the Company shall be bound to redeem the Class D Preference Shares on payment of the Redemption Amount.
- (e) **Cash Redemption.** Any redemption of the Class D Preference Shares shall be made in cash.
- (f) **Redemption Notice.** If the Class D Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class D Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class D Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class D Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so

require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class D Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7D(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class D Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class D Preference Shareholders may surrender share certificates (if applicable) in respect of the Class D Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

(g) **Redemption Amount.** The cash amount ("**Redemption Amount**") payable on redemption is:

- (i) in the case of a redemption pursuant to **Article 7D(4)(a), (b) or (d)** above, an amount equal to the Redemption Price (as defined below); and
- (ii) in the case of a redemption pursuant to **Article 7D(4)(c)** above, an amount equal to the Special Event Redemption Price (as defined below).

The Redemption Amount shall be notified to each holder of the Class D Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7D(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class D Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

"**Redemption Price**" means an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7D(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

"**Special Event Redemption Price**" means:

- (i) in the case of a redemption on a date which is prior to the Dividend Re-Set Date, an amount equal to the higher of (aa) the Liquidation Preference, together with, subject to the restrictions in **Article 7D(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or

not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption and (bb) the Make Whole Amount (as defined below) (if any); and

- (ii) in the case of a redemption on or after the Dividend Re-Set Date, the Redemption Price.

“Make Whole Amount” means, at any time prior to the Dividend Re-Set Date, an amount equal to the sum of:

- (i) the present value of the Liquidation Preference assuming a repayment thereof on the Dividend Re-Set Date; plus
- (ii) the present values of the remaining scheduled Dividends, to and including the Dividend Re-Set Date;

in each case discounted to the Redemption Date in accordance with the Day Count Fraction at a rate equal to the sum of (aa) a fixed rate of not less than 0.10 per cent. and not more than 2.50 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and (bb) the U.S. Treasury Yield (as defined below).

“U.S. Treasury Yield” means the yield calculated by the Calculation Agent, under the heading which represents the average for the week immediately prior to the Redemption Date, appearing in the most recently published statistical release designated **“H.15(519)”** or any successor publication which is published weekly by the Federal Reserve and which establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption **“Treasury Constant Maturities”** for the maturity most closely corresponding to the Dividend Re-Set Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class D Preference Share shall be made (i) in immediately available funds by direct transfer to an account maintained by the Class D Preference Shareholder with a bank if appropriate direct transfer instructions have been received by the Registrar in sufficient time prior to the relevant date of payment or (ii) by cheque if appropriate transfer instructions have not been received by the Registrar in sufficient time prior to the relevant date of payment in order for the Registrar to effect payment by direct transfer or (iii) by such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class D Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class D Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class D Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7D(5)**, the Class D Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.

- (b) **Class Meetings.** The Class D Preference Shareholders shall be entitled to attend class meetings of the Class D Preference Shareholders. Every Class D Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class D Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class D Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class D Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class D Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class D Preference Shareholders). Every Class D Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class D Preference Share of which he is the holder.

(6) **Purchases**

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class D Preference Shares. No repurchase of any Class D Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) **Taxation**

All payments on the Class D Preference Shares will be made free and clear by the Company without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed by or on behalf of Singapore or any authority thereof or therein having power to tax, unless such deduction or withholding of such Taxes is required by law. In the event that any such withholding or deduction in respect of any payment on the Class D Preference Shares is required by law, the Company will pay such additional amounts ("**Additional Amounts**") as will result in the receipt by the holders of the Class D Preference Shares of the amounts which would otherwise have been receivable in respect of such payment on the Class D Preference Shares in the absence of such withholding or deduction, provided that no such Additional Amounts shall be payable in respect of any of the Class D Preference Shares:

- (a) to or on behalf of a holder of Class D Preference Shares or beneficial owner with respect to Class D Preference Shares which is (i) treated as a resident of Singapore or a permanent establishment in Singapore for tax purposes, or (ii) who is liable for such taxes, duties, assessments or governmental charges in respect of the Class D Preference Shares by reason of his being connected with Singapore other than by reason only of the holding of any of the Class D Preference Shares; and
- (b) to the extent that such Taxes would not have been required to be deducted or withheld but for the failure to comply by the holder of the Class D Preference Shares or beneficial owner with respect to the Class D Preference Shares with a request of the Company addressed to such holder

to make any declaration of non-residence or other similar claim, which is required or imposed by a statute, treaty or administrative practice of Singapore, as the case may be, as a pre-condition to exemption from all or part of such Taxes.

For the avoidance of doubt, this **Article 7D(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7D(2)(l)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class D Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class D Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class D Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class D Preference Shareholders (the quorum at such class meeting to be such number of Class D Preference Shareholders holding or representing not less than two-thirds of the outstanding Class D Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class D Preference Shareholders, impose any material obligation on the Class D Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class D Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class D Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class D Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class D Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class D Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class D Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class D Preference Shareholder in accordance with **Article 7D(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting,

(bb) a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and (cc) instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class D Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class D Preference Share (not being a fully paid Class D Preference Share); provided that where any Class D Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class D Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class D Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class D Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class D Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class D Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7D** and the other provisions of this Constitution, then the provisions of this **Article 7D** shall prevail.

7E. Class E Preference Shares

The Class E Preference Shares shall have the following rights and be subject to the following restrictions.

Class E
Preference
Shares

(1) **Denomination**

The par value of each Class E Preference Share shall be S\$0.01, with a liquidation preference of S\$100 (“**Liquidation Preference**”).

(2) **Dividends**

(a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7E(2)(d), (f)** and **(g)** below, the Class E Preference Shares shall entitle the holder thereof (each, a “**Class E Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the basis set out in **Article 7E(2)(c)** below.

(b) **Dividend Payment Dates.** The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a “**Dividend Date**”) when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) (“**Board**”).

The first Dividend Date shall:

(i) if the date (“**Issue Date**”) on which the Class E Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;

(ii) if the Issue Date falls **(I)** on or after 20 June in any calendar year and **(II)** before 20 December in the same calendar year, be on 20 December in that calendar year; and

(iii) if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class E Preference Shareholders shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7E(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class E Preference Shareholders or entitle the Class E Preference Shareholders to any claim in respect thereof against the Company.

“**Business Day**” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

(c) **Fixed Dividend Rate.** Each Class E Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

“**Dividend Period**” means the period from, and including, the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

(d) **Dividends at Board's Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class E Preference Shares shall be at the sole discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7E** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class E Preference Shares shall rank as regards participation in profits *pari passu* with all other shares to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class E Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class E Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class E Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class E Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class E Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7E(5)** below.

"Parity Obligations" means any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares and the Class F Preference Shares) or any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis.

(f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obligated to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7E**) if:

- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore (“**MAS**”) from making payment in full of dividends or other distributions when due on Parity Obligations; or
- (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published capital adequacy requirements from time to time applicable to the Company; or
- (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class E Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Date.

“**Distributable Reserves**” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (“**Available Amounts**”) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on such Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Date, to the Class E Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Date (which certificate of the two Directors shall be binding absent manifest error) and “**Distributable Reserves**” as of such Dividend Date for purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7E(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Date, a notice (“**Dividend Limitation Notice**”) to the share registrar of the Company for the time being (“**Registrar**”) and the Class E Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class E Preference Shareholder, and so long as the Class E Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class E Preference Shares are listed on the Singapore

Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7E(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7E(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend is not paid in full on the Class E Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class E Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

- (i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7E**, be made to the Class E Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7E**, the Class E Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

- (j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

- (i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class E Preference Shares (or contribute any moneys to a sinking fund for the redemption of any such shares or securities); or
- (ii) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, any Parity Obligations (or contribute any moneys to a sinking fund for the redemption of any such obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class E Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7E** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and
- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class E Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class E Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
 - (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class E Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class E Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class E Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

(a) Rights Upon Liquidation. In the event of the commencement of any dissolution or winding up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class E Preference Shares, the Class E Preference Shares shall rank:

- (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
- (ii)** *pari passu* with all Parity Obligations; and
- (iii)** senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class E Preference Shares.

On such a dissolution or winding up, each Class E Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution (as defined below).

“**Liquidation Distribution**” means, upon a dissolution or winding up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7E(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding up falls to and including the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class E Preference Shares.

(b) Pro Rata Liquidation Distribution. If, upon any such dissolution or winding up, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class E Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.

(c) No Further Rights to Participate in Assets. Save as set out in this **Article 7E**, the Class E Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

(a) Optional Redemption. The Company may, at its option, redeem in whole, but not in part, the Class E Preference Shares for the time being issued and outstanding:

- (i)** on the date falling five years after the Issue Date;
- (ii)** on the date falling ten years after the Issue Date; and
- (iii)** on each Dividend Date thereafter (that is, after the date falling ten years after the Issue Date),

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“Redemption Conditions” means:

- (aa)** that the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb)** that the Distributable Reserves of the Company and/or share premium and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“Replacement Capital” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class E Preference Shares.

(b) Tax Event Redemption. If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class E Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i)** the satisfaction of the Redemption Conditions; and
- (ii)** the Company attaching to the relevant Redemption Notice (as defined in **Article 7E(4)(e)** below):
 - (aa)** a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb)** an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7E**.

“Tax Event” means that, as a result of any change after the date of issuance of the Class E Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein

having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class E Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class E Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7E**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published capital adequacy requirements from time to time applicable to the Company, the Class E Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

(d) **Cash Redemption.** Any redemption of the Class E Preference Shares shall be made in cash.

(e) **Redemption Notice.** If the Class E Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class E Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”) in accordance with **Article 7E(10)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class E Preference Shares to be redeemed on the Redemption Date;

- (iii) the Redemption Amount (as defined below); and
- (iv) the place or places where the Class E Preference Shareholders may surrender share certificates (if applicable) in respect of the Class E Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (f) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7E(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls and ending on the date of such redemption. Any such redemption shall not prejudice the rights of the holder of the Class E Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.
- (g) **Payments.** Payments in respect of the amount due on redemption of a Class E Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate of the relevant Preference Shares (if any) at the place or one of the places specified in the Redemption Notice.
- (h) **Discharge.** A receipt given by the holder for the time being of any Class E Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class E Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7E(5)**, the Class E Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class E Preference Shareholders shall be entitled to attend class meetings of the Class E Preference Shareholders. Every Class E Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class E Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class E Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class E Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class E Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class E Preference Shareholders). Every Class E Preference Shareholder who is present in person at such general

meetings shall have on a show of hands one vote and on a poll one vote for every Class E Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class E Preference Shares. No repurchase of any Class E Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class E Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class E Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class E Preference Shares shall be made by the Company to any Class E Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class E Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (i) is a resident in Singapore for tax purposes; or
- (ii) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class E Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7E(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7E(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class E Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class E Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class E Preference Shares; or

- (b) the sanction of a special resolution passed at a separate class meeting of the Class E Preference Shareholders (the quorum at such class meeting to be such number of Class E Preference Shareholders holding or representing not less than two-thirds of the outstanding Class E Preference Shares),

provided that:

- (c) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class E Preference Shareholders, impose any material obligation on the Class E Preference Shareholders or materially adversely affect their voting rights);
- (d) no such consent or sanction shall be required for the creation or issue of further shares ranking *pari passu* with or junior to the Class E Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class E Preference Shares);
- (e) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class E Preference Shares in accordance with this Constitution; and
- (f) no provision of the Class E Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class E Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class E Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class E Preference Shareholder in accordance with **Article 7E(10)** below. Each such notice shall include a statement setting forth (i) the date, time and place of such meeting, (ii) a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and (iii) instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class E Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class E Preference Share (not being a fully paid Class E Preference Share); provided that where any Class E Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class E Preference Shares from taking place on an open and proper basis; and

- (b) any transfer of a Class E Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class E Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class E Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class E Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

The Dividend shall be payable:

- (i) semi-annually in arrear on 20 June and 20 December in each year up to and including the Dividend Re-Set Date (as defined below); and

If any Dividend Date in **Article 7F(2)(a)(i)** above would otherwise fall on a day which is not a Business Day, payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class F Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7F(2)(d), (f) and (g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class F Preference Shareholders or entitle the Class F Preference Shareholders to any claim in respect thereof against the Company.

prior to the Issue Date and in compliance with the published capital adequacy requirements of the Monetary Authority of Singapore (“MAS”) applicable to the Company at the relevant time,

of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

Any determination by the Calculation Agent (as defined below) under this **Article 7F** shall be final and conclusive absent manifest error.

“**Calculation Agent**” means such entity for the time being appointed as calculation agent for the purposes of this **Article 7F** by the Board.

“**three-month SGD Swap Offer Rate**” means, in respect of any Dividend Period, the rate determined by the Calculation Agent which appears under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SIBOR AND SWAP OFFER RATES — RATES AT 11.00 A.M. In the case of Premium:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & + \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

In the case of Discount:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & - \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

where:

“**SIBOR**” = the rate which appears under the caption “SINGAPORE INTERBANK OFFER RATES (US\$)” and the column headed “FIXINGS” on Moneyline Telerate Service page 50163 to 50164 (or such other page as may replace Moneyline Telerate Service page 50163 to 50164 for the purpose of displaying Singapore inter-bank United States dollar offered rates of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date for a period equal to the

duration of the Dividend Period concerned;

“Spot Rate” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks (as defined below) and which appear under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE” and the column headed “SPOT” on Moneyline Telerate Service page 50168 (or such other page as may replace Moneyline Telerate Service page 50168 for the purpose of displaying the spot rates and swap points of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“Premium or Discount” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates for a Premium or Discount quoted by the Reference Banks which appear under the caption “ASSOCIATION OF BANKS IN SINGAPORE – SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE” on Moneyline Telerate Service page 50168 (or such other replacement page as aforesaid) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date for a period equal to the duration of the Dividend Period concerned; and

“T” = the number of days in the Dividend Period concerned.

If on any SOR Determination Date any one of the components for the purposes of calculating the Average Swap Rate above is not quoted on the relevant Moneyline Telerate Service Page (or such other replacement page as aforesaid) or the relevant Moneyline Telerate Service Page (or such other replacement page as aforesaid) is unavailable for any reason, the Calculation Agent shall request the principal Singapore offices of the Reference Banks to provide the Calculation Agent with quotations of their Swap Rates (as defined below) for the Dividend Period concerned at or about 11.00 a.m., Singapore time, on such SOR Determination Date and the Average Swap Rate for such Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the Swap Rates quoted by the Reference Banks to the Calculation Agent. The **“Swap Rate”** of a Reference Bank means the rate at which that Reference Bank can generate Singapore dollars for the Dividend Period concerned in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date and shall be determined as follows:

In the case of Premium:

$$\text{Average Swap Rate} = \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ + \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right]$$

In the case of Discount:

$$\text{Average Swap Rate} = \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ - \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right]$$

where:

“SIBOR” = the rate per annum at which United States dollar deposits for a period equal to the duration of the Dividend Period concerned are being offered by that Reference Bank to prime banks in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“Spot Rate” = the rate at which that Reference Bank sells United States dollars spot in exchange for Singapore dollars in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“Premium” = the premium that would have been paid by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market;

“Discount” = the discount that would have been received by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market; and

“T” = the number of days in the Dividend Period concerned.

If on any SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined by the Calculation Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about 11.00 a.m., Singapore time, on such SOR Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Dividend Period, an amount equal to the aggregate Liquidation Preference for such Dividend Period by whatever means they determine to be most

appropriate, or if on such SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the Average Swap Rate for the relevant Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about 11.00 a.m., Singapore time, on such SOR Determination Date.

“**SOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

“**Reference Banks**” means three major banks in Singapore selected by the Calculation Agent.

(d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class F Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7F** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class F Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class F Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class F Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class F Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class F Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class F Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7F(5)** below.

“Parity Obligations” means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7F**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year on the Class F Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

“Distributable Reserves” means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance

with Section 403 of the Companies Act, Chapter 50 of Singapore (“**Available Amounts**”) as of the date of the Company’s latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company’s latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class F Preference Shareholders accompanied by a certificate of the Company’s auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and “**Distributable Reserves**” as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

“**Dividend Determination Date**” means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7F(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (“**Dividend Limitation Notice**”) to the share registrar of the Company for the time being (“**Registrar**”) and the Class F Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class F Preference Shareholder except that where the Class F Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class F Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class F Preference Shares are listed on Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7F(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7F(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class F Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class F Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

(i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7F**, be made to the Class F Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7F**, the Class F Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class F Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

(ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any

Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class F Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class F Preference Share shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

(i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7F** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

(ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

(aa) to pay, or make available to any Class F Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class F Preference Shareholders for not paying or not making available such Tax Credits;

(bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

(cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class F Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class F Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class F Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

(a) Rights Upon Liquidation. In the event of the commencement of any dissolution or winding up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class F Preference Shares, the Class F Preference Shares shall rank:

- (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
- (ii)** *pari passu* with all Parity Obligations of the Company; and
- (iii)** senior to the holders of the Company's ordinary shares and any other securities or obligations of the Company that are subordinated to the Class F Preference Shares.

On such a dissolution or winding-up, each Class F Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

"Liquidation Distribution" means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7F(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

"Permitted Reorganisation" means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class F Preference Shares.

(b) Pro Rata Liquidation Distribution. If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class F Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.

(c) No Further Rights to Participate in Assets. Save as set out in this **Article 7F**, the Class F Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

(a) Optional Redemption. The Company may, at its option, redeem in whole, but not in part, the Class F Preference Shares for the time being issued and outstanding:

- (i)** on the date falling five years after the Issue Date;
- (ii)** on the date falling 10 years after the Issue Date; and

- (iii) on each Dividend Date thereafter (that is, after the date falling 10 years after the Issue Date),

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class F Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class F Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7F(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7F**.

“**Tax Event**” means that, as a result of any change after the date of issuance of the Class F Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class F Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class F Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
- (i) the satisfaction of the Redemption Conditions; and
 - (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7F**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class F Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **M&A Redemption.** In the event that the Class F Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class F Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60 days’ notice to the holders of the Class F Preference Shares in the manner set out in **Article 7F(4)(f)** below (which notice shall be irrevocable). On the date of redemption specified in such notice, the Company shall be bound to redeem the Class F Preference Shares on payment of the Redemption Amount.
- (e) **Cash Redemption.** Any redemption of the Class F Preference Shares shall be made in cash.
- (f) **Redemption Notice.** If the Class F Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class F Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class F Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class F Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such

stock exchange(s) may require. In addition, for so long as the Class F Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7F(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class F Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class F Preference Shareholders may surrender share certificates (if applicable) in respect of the Class F Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (g) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7F(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class F Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7F(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class F Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class F Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class F Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class F Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class F Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7F(5)**, the Class F Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.

- (b) **Class Meetings.** The Class F Preference Shareholders shall be entitled to attend class meetings of the Class F Preference Shareholders. Every Class F Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class F Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class F Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class F Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class F Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class F Preference Shareholders). Every Class F Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class F Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class F Preference Shares. No repurchase of any Class F Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class F Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class F Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class F Preference Shares shall be made by the Company to any Class F Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class F Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class F Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such

payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7F(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7F(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class F Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class F Preference Shares) shall require:

- (a)** the consent in writing of the holders of at least 75 per cent. of the outstanding Class F Preference Shares; or
- (b)** the sanction of a special resolution passed at a separate class meeting of the Class F Preference Shareholders (the quorum at such class meeting to be such number of Class F Preference Shareholders holding or representing not less than two-thirds of the outstanding Class F Preference Shares),

provided that:

- (i)** no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class F Preference Shareholders, impose any material obligation on the Class F Preference Shareholders or materially adversely affect their voting rights);
- (ii)** no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class F Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class F Preference Shares);
- (iii)** no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class F Preference Shares in accordance with this Constitution; and
- (iv)** no provision of the Class F Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class F Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class F Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class F Preference Shareholder in accordance with **Article 7F(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class F Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class F Preference Share (not being a fully paid Class F Preference Share); provided that where any Class F Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class F Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class F Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class F Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class F Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class F Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7F** and the other provisions of this Constitution, then the provisions of this **Article 7F** shall prevail.

7G. Class G Preference Shares

Class G
Preference
Shares

The Class G Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Denomination

The par value of each Class G Preference Share shall be S\$0.01, with a liquidation preference of S\$1.00 ("**Liquidation Preference**").

(2) **Dividends**

- (a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7G(2)(d), (f)** and **(g)** below, the Class G Preference Shares shall entitle the holder thereof (each, a "**Class G Preference Shareholder**") to receive a non-cumulative preferential cash dividend ("**Dividend**") on the Liquidation Preference thereof calculated on the basis set out in **Article 7G(2)(c)** below.
- (b) **Dividend Payment Dates.** The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a "**Dividend Date**") when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) ("**Board**").

The first Dividend Date shall:

- (i) if the date ("**Issue Date**") on which the Class G Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;
- (ii) if the Issue Date falls **(I)** on or after 20 June in any calendar year and **(II)** before 20 December in the same calendar year, be on 20 December in that calendar year; and
- (iii) if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day. For the avoidance of doubt, where there is more than one issuance of Class G Preference Shares, the Issue Date, for the purposes of this **Article 7G**, shall be the date on which the first Class G Preference Shares are allotted and issued.

No Class G Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7G(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class G Preference Shareholders or entitle the Class G Preference Shareholders to any claim in respect thereof against the Company.

"**Business Day**" means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

- (c) **Fixed Dividend Rate.** Each Class G Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than seven per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

"**Dividend Period**" means:

- (i) in relation to the first issuance of Class G Preference Shares, the period from, and including, the Issue Date to, but excluding, the first

Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date; and

(ii) in relation to any subsequent issuance of Class G Preference Shares, the period from, and including, the latter of:

(aa) the Issue Date; and

(bb) the Dividend Date immediately preceding the date on which the Class G Preference Shares comprised in that issuance are allotted and issued,

to, but excluding, the Dividend Date immediately following the date on which the Class G Preference Shares comprised in that issuance are allotted and issued and each successive period thereafter from, and including, a Dividend Date to, but excluding the next succeeding Dividend Date.

(d) **Dividends at Board's Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class G Preference Shares shall be at the sole discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7G** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class G Preference Shares shall rank as regards participation in profits *pari passu* with all other shares to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

(i) the Class G Preference Shares; or

(ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class G Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class G Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

(aa) the Class G Preference Shares; or

(bb) any other Parity Obligations,

unless approved by the Class G Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7G(5)** below.

"Parity Obligations" means any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares and the Class F Preference Shares) or any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obligated to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7G**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore ("**MAS**") from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class G Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Date.

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore ("**Available Amounts**") as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on such Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Date, to the Class G Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Date (which certificate of the two Directors shall be binding absent manifest error) and "**Distributable Reserves**" as of such Dividend Date for purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7G(2)(d)** above, if the Company does not propose or intend to

pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Date, a notice ("**Dividend Limitation Notice**") to the share registrar of the Company for the time being ("**Registrar**") and the Class G Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class G Preference Shareholder, and so long as the Class G Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class G Preference Shares are listed on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") and the rules of SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7G(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7G(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend is not paid in full on the Class G Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class G Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"**Relevant Proportion**" means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Date divided by the sum of:
- (aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and
 - (bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,
- converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and
- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7G**, be made to the Class G Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7G**, the Class G Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class G Preference Shares (or contribute any moneys to a sinking fund for the redemption of any such shares or securities); or

(ii) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, any Parity Obligations (or contribute any moneys to a sinking fund for the redemption of any such obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class G Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

(i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7G** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

(ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

- (aa) to pay, or make available to any Class G Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class G Preference Shareholders for not paying or not making available such Tax Credits;
- (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class G Preference Shares are outstanding as of such time

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class G Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class G Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) **Liquidation Distributions**

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class G Preference Shares, the Class G Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations; and
 - (iii) senior to the holders of the Company's ordinary shares and any other securities or obligations of the Company that are subordinated to the Class G Preference Shares.

On such a dissolution or winding up, each Class G Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution (as defined below).

“**Liquidation Distribution**” means, upon a dissolution or winding up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7G(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding up falls to and including the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or

substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class G Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding up, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class G Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7G**, the Class G Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class G Preference Shares for the time being issued and outstanding:
 - (i) on the date falling five and a half years after the Issue Date;
 - (ii) on the date falling ten years after the Issue Date; and
 - (iii) on each Dividend Date thereafter (that is, after the date falling ten years after the Issue Date),

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

"Redemption Conditions" means:

- (aa) that the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) that the Distributable Reserves of the Company and/or share premium and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

"Replacement Capital" means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class G Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class G Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
 - (i) the satisfaction of the Redemption Conditions; and

(ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7G(4)(e)** below):

(aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

(bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7G**.

"Tax Event" means that, as a result of any change after the date of issuance of the Class G Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class G Preference Shareholders:

(i) would be subject to deduction or withholding for or on account of tax; or

(ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class G Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

(i) the satisfaction of the Redemption Conditions; and

(ii) the Company attaching to the relevant Redemption Notice:

(aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

(bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7G**.

"Special Event" means for any reason there is more than an insubstantial risk that for the purposes of the MAS' published capital adequacy requirements from time to time applicable to the Company, the Class G Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **Cash Redemption.** Any redemption of the Class G Preference Shares shall be made in cash.
- (e) **Redemption Notice.** If the Class G Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class G Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”) in accordance with **Article 7G(10)** below. Each Redemption Notice shall specify *inter alia*:
 - (i) the Redemption Date;
 - (ii) the Class G Preference Shares to be redeemed on the Redemption Date;
 - (iii) the Redemption Amount (as defined below); and
 - (iv) the place or places where the Class G Preference Shareholders may surrender share certificates (if applicable) in respect of the Class G Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (f) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7G(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls and ending on the date of such redemption. Any such redemption shall not prejudice the rights of the holder of the Class G Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.
- (g) **Payments.** Payments in respect of the amount due on redemption of a Class G Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate of the relevant Preference Shares (if any) at the place or one of the places specified in the Redemption Notice.
- (h) **Discharge.** A receipt given by the holder for the time being of any Class G Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class G Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7G(5)**, the Class G Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class G Preference Shareholders shall be entitled to attend class meetings of the Class G Preference Shareholders. Every Class

G Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class G Preference Share of which he is the holder.

(c) **General Meetings.** If Dividends with respect to the Class G Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class G Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class G Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class G Preference Shareholders). Every Class G Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class G Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class G Preference Shares. No repurchase of any Class G Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class G Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class G Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class G Preference Shares shall be made by the Company to any Class G Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class G Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class G Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7G(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7G(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class G Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class G Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class G Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class G Preference Shareholders (the quorum at such class meeting to be such number of Class G Preference Shareholders holding or representing not less than two-thirds of the outstanding Class G Preference Shares),

provided that:

- (c) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class G Preference Shareholders, impose any material obligation on the Class G Preference Shareholders or materially adversely affect their voting rights);
- (d) no such consent or sanction shall be required for the creation or issue of further shares ranking *pari passu* with or junior to the Class G Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class G Preference Shares);
- (e) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class G Preference Shares in accordance with this Constitution; and
- (f) no provision of the Class G Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class G Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class G Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class G Preference Shareholder in accordance with **Article 7G(10)** below. Each such notice shall include a statement setting forth (i) the date, time and place of such meeting, (ii) a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and (iii) instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class G Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a)** any transfer of a Class G Preference Share (not being a fully paid Class G Preference Share); provided that where any Class G Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class G Preference Shares from taking place on an open and proper basis; and
- (b)** any transfer of a Class G Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class G Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class G Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) Newspaper Publication.** For so long as the Class G Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

7H. Class H Preference Shares

Class H
Preference
Shares

The Class H Preference Shares shall be provisionally allotted **(a)** at the time of, and in conjunction with, the issue of the preference shares **(i)** to be denominated in United States dollars, **(ii)** to be issued, as determined by the Board of Directors of the Company (or an authorised committee thereof) (the “**Board**”) in its absolute discretion, by a special purpose vehicle (the “**Issuer**”), as determined by the Board in its absolute discretion, wholly-owned, managed and under the sole control of the Company and **(iii)** which are expressed to be substituted by the Class H Preference Shares (the “**Issuer Preference Shares**”) in certain circumstances and **(b)** to the persons to whom the Issuer Preference Shares are issued.

The Class H Preference Shares shall be deemed to be immediately issued and credited as fully-paid, on the basis of one Class H Preference Share for one Issuer Preference Share redeemed, upon the occurrence of an Issuer Substitution Event (as defined below) with respect to the Issuer Preference Shares.

"Issuer Substitution Event" means that (a) the consolidated total capital adequacy ratio or Tier 1 capital ratio of the Company and its subsidiaries or the Company's unconsolidated total capital adequacy ratio or Tier 1 capital ratio, in each case calculated in accordance with the published consolidated or unconsolidated capital adequacy requirements of the Monetary Authority of Singapore (the "MAS") from time to time applicable to the Company, has fallen below the minimum ratio then applicable to the Company, (b) the Board in its absolute discretion has notified the MAS and the Issuer that it has determined, in view of the Company's deteriorating financial condition, that any of the events described in (a) above is expected to occur in the near term, (c) the MAS has assumed control of or otherwise exercised its powers under Section 49(2)(c) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) with respect to the Company, (d) the MAS has exercised its powers under Section 49(2) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) to direct the Company to effect an exchange of the Issuer Preference Shares for the Class H Preference Shares, (e) proceedings have been commenced for the winding-up of the Company whether in Singapore or elsewhere, (f) a Cessation of Control Event (as defined below) has occurred or (g) the Issuer, if, as and when directed by the Company, has given a notice in accordance with the Constitution or equivalent constitutive documents of the Issuer, following the occurrence of an Issuer Tax Event (as defined below) or, as the case may be, an Issuer Special Event (as defined below) that it elects to effect a substitution of the Issuer Preference Shares for the Class H Preference Shares.

"Cessation of Control Event" means that the Issuer has ceased to be wholly-owned, managed and under the sole control of the Company. For the purposes of this **Article 7H**, the Issuer is considered to be wholly-owned, managed and under the sole control of the Company when:

- (a) the Company owns and controls the voting power attached to all the ordinary shares of the Issuer;
- (b) all the executive officers of the Issuer are either employees of the Company or appointees of the Company. “**Issuer Special Event**” means that either (a) there is more than an insubstantial risk that the Company would no longer obtain relief for the purposes of Singapore corporation tax for any payment of interest in respect of the Subordinated Note or (b) for any reason, there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Issuer Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Class H Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class H Preference Share shall have a liquidation preference of US\$1,000 (“**Liquidation Preference**”).

(2) Dividends

(a) Non-Cumulative Preferential Dividends. Subject to **Articles 7H(2)(d), (f)** and **(g)** below, the Class H Preference Shares shall entitle the holder thereof (each, a “**Class H Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Articles 7H(2)(b)** and **(c)** below. The Dividend shall be payable:

If any Dividend Date in **Article 7H(2)(a)(i)** above would otherwise fall on a day which is not a Business Day, payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class H Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7H(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class H Preference Shareholders or entitle the Class H Preference Shareholders to any claim in respect thereof against the Company.

“**Business Day**” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore, New York and London.

“**Dividend Re-Set Date**” shall be a date (if any), to be determined by the Board in its absolute discretion on or prior to the date of issue of the Issuer Preference Shares (the “**Issue Date**”), such date (if any) to be a dividend payment date in respect of the Issuer Preference Shares falling on or after the tenth anniversary of the Issue Date. For the avoidance of doubt, the Board may determine in its absolute discretion on or prior to the Issue Date, that there shall be no Dividend Re-Set Date.

- (b) **Fixed Dividend Rate.** Each Class H Preference Share in issue on or prior to the Dividend Re-Set Date shall, subject to **Article 7H(2)(a)** above, entitle the holder thereof to receive for each Dividend Period (as defined below) ending on or prior to the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in United States dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the Day Count Fraction (as defined below).

“**Day Count Fraction**” means (i) prior to the Dividend Re-Set Date, the number of days in the relevant period divided by 360 (the number of days to be calculated on the basis of 360 days with 12 30-day months and in the case of an incomplete month the actual number of days elapsed) and (ii) on or after the Dividend Re-Set Date, the actual number of days in the relevant period divided by 360.

If on any LIBOR Determination Date, no such rates are quoted, the Calculation Agent will request appropriate quotations and will determine the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by three major banks (or, if fewer than three rates are so quoted, two major banks, or, if fewer than two rates are so quoted, one major bank) in the London inter-bank market, selected by the Calculation Agent, at approximately 11.00 a.m., London time, on such LIBOR Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Dividend Period, an amount equal to the aggregate Liquidation Preference for such Dividend Period by whatever means they determine to be the most appropriate.

“**LIBOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

- (d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class H Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7H** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.
- (e) **Ranking.** The Class H Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:
 - (i) the Class H Preference Shares; or

(ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class H Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class H Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

(aa) the Class H Preference Shares; or

(bb) any other Parity Obligations,

(f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7H**) if:

- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
- (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
- (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class H Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**"Available Amounts"**) as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class H Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **"Distributable Reserves"** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class H Preference Shareholder except that where the Class H Preference

Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class H Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class H Preference Shares are listed on Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7H(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7H(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class H Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class H Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

- (i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7H**, be made to the

Class H Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7H**, the Class H Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

- (j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:
- (i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class H Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or
 - (ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class H Preference Shareholders).

- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class H Preference Share shall bear interest against the Company.
- (l) **Net Dividends.** For the avoidance of doubt:
- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7H** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and
 - (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class H Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class H Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class H Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class H Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class H Preference Share.

(3) **Liquidation Distributions**

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class H Preference Shares, the Class H Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations of the Company; and
 - (iii) senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class H Preference Shares.

On such a dissolution or winding-up, each Class H Preference Share shall be entitled to receive in United States dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7H(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class H Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for

payment so as to allow payment of part of the Liquidation Distribution, then each Class H Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.

- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7H**, the Class H Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) **Redemption**

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class H Preference Shares for the time being issued and outstanding on such date(s), as the Board may determine in its absolute discretion on or prior to the Issue Date, such date(s) to correspond with the optional redemption date(s) in respect of the Issuer Preference Shares (which would have been applicable if the Issuer Preference Shares had not been substituted), in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (i) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (ii) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class H Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class H Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7H**.

“**Tax Event**” means that, as a result of any change after the Substitution Date in, or amendment to, any law or regulation of Singapore or any political

subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class H Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to the Substitution Date,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class H Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class H Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

(d) **Cash Redemption.** Any redemption of the Class H Preference Shares shall be made in cash.

(e) **Redemption Notice.** If the Class H Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class H Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class H Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class H Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class H

Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7H(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;

- (i) in the case of a redemption pursuant to **Article 7H(4)(a) or (b)** above, an amount equal to the Redemption Price (as defined below); and
- (ii) in the case of a redemption pursuant to **Article 7H(4)(c)** above, an amount equal to the Special Event Redemption Price (as defined below).

Any such redemption shall not prejudice the rights of the holder of the Class H Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

“**Redemption Price**” means an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7H(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

“**Special Event Redemption Price**” means:

- (i) in the case of a redemption on a date which is prior to the Dividend Re-Set Date, an amount equal to the higher of (aa) the Liquidation Preference, together with, subject to the restrictions in **Article 7H(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but

in each case discounted to the Redemption Date in accordance with the Day Count Fraction at a rate equal to the sum of **(aa)** a fixed rate of not less than 0.10 per cent. and not more than 2.50 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and **(bb)** the U.S. Treasury Yield (as defined below).

“U.S. Treasury Yield” means the yield calculated by the Calculation Agent, under the heading which represents the average for the week immediately prior to the Redemption Date, appearing in the most recently published statistical release designated **“H.15(519)”** or any successor publication which is published weekly by the Federal Reserve and which establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption **“Treasury Constant Maturities”** for the maturity most closely corresponding to the Dividend Re-Set Date.

- (g) **Payments.** Payments in respect of the amount due on redemption of a Class H Preference Share shall be made **(i)** in immediately available funds by direct transfer to an account maintained by the Class H Preference Shareholder with a bank if appropriate direct transfer instructions have been received by the Registrar in sufficient time prior to the relevant date of payment or **(ii)** by cheque if appropriate transfer instructions have not been received by the Registrar in sufficient time prior to the relevant date of payment in order for the Registrar to effect payment by direct transfer or **(iii)** by such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. - (h) **Discharge.** A receipt given by the holder for the time being of any Class H Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class H Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7H(5)**, the Class H Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.

- (b) **Class Meetings.** The Class H Preference Shareholders shall be entitled to attend class meetings of the Class H Preference Shareholders. Every Class H Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class H Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class H Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class H Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class H Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class H Preference Shareholders). Every Class H Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class H Preference Share of which he is the holder.

(6) **Purchases**

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class H Preference Shares. No repurchase of any Class H Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) **Taxation**

All payments on the Class H Preference Shares will be made free and clear by the Company without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed by or on behalf of Singapore or any authority thereof or therein having power to tax, unless such deduction or withholding of such Taxes is required by law. In the event that any such withholding or deduction in respect of any payment on the Class H Preference Shares is required by law, the Company will pay such additional amounts ("**Additional Amounts**") as will result in the receipt by the holders of the Class H Preference Shares of the amounts which would otherwise have been receivable in respect of such payment on the Class H Preference Shares in the absence of such withholding or deduction, provided that no such Additional Amounts shall be payable in respect of any of the Class H Preference Shares:

- (a) to or on behalf of a holder of Class H Preference Shares or beneficial owner with respect to Class H Preference Shares which is (i) treated as a resident of Singapore or a permanent establishment in Singapore for tax purposes, or (ii) who is liable for such taxes, duties, assessments or governmental charges in respect of the Class H Preference Shares by reason of his being connected with Singapore other than by reason only of the holding of any of the Class H Preference Shares; and
- (b) to the extent that such Taxes would not have been required to be deducted or withheld but for the failure to comply by the holder of the Class H Preference Shares or beneficial owner with respect to the Class H Preference Shares with a request of the Company addressed to such holder to make any declaration of non-residence or other similar claim, which is required or imposed by a statute, treaty or administrative practice of

Singapore, as the case may be, as a pre-condition to exemption from all or part of such Taxes.

For the avoidance of doubt, this **Article 7H(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7H(2)(l)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class H Preference Shares by way of amendment of this Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class H Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class H Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class H Preference Shareholders (the quorum at such class meeting to be such number of Class H Preference Shareholders holding or representing not less than two-thirds of the outstanding Class H Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class H Preference Shareholders, impose any material obligation on the Class H Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class H Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class H Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class H Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class H Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class H Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class H Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class H Preference Shareholder in accordance with **Article 7H(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Holding and Transfer of Preference Shares

The Class H Preference Shares may only be held or transferred in amounts having an aggregate Liquidation Preference of at least US\$100,000.

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class H Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class H Preference Share (not being a fully paid Class H Preference Share); provided that where any Class H Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class H Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class H Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class H Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class H Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class H Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.
- (c) **Clearing Systems.** Notwithstanding any other provisions of this Constitution, if the Class H Preference Shares are represented by a global certificate held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”) or Clearstream Banking, société anonyme, Luxembourg (“Clearstream, Luxembourg”), notices required to be given to holders of the Class H Preference Shares shall be given by their being delivered to Euroclear and Clearstream, Luxembourg, rather than by mail or publication. Any such notice will be deemed to have been given on the day the relevant clearing system receives such notice.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7H** and the other provisions of this Constitution, then the provisions of this **Article 7H** shall prevail.

7I. Class I Preference Shares

Class I
Preference
Shares

As soon as practicable after the occurrence of an Issuer Substitution Event (as defined below) with respect to the preference shares **(a)** to be denominated in Singapore dollars, **(b)** to be issued, as determined by the Board of Directors of the Company (or an authorised committee thereof) (the **"Board"**) in its absolute discretion, by a special purpose vehicle to be incorporated (the **"Issuer"**), as determined by the Board in its absolute discretion, to be wholly-owned by the Company and whose voting rights are in the sole control of the Company, and **(c)** which are expressed to be substituted by the Class I Preference Shares in certain circumstances in accordance with this **Article 7I** (the **"Issuer Preference Shares"**), the Company shall give written notice to the holder of the Issuer Preference Shares enclosing a substitution confirmation form which such holder of the Issuer Preference Shares will be required to complete in order to receive the Class I Preference Shares of the Company.

Upon the occurrence of an Issuer Tax Event (as defined below) or an Issuer Special Event (as defined below), the Issuer may elect to substitute the Issuer Preference Shares with the Class I Preference Shares of the Company in the manner to be provided in the Constitution or equivalent constitutive documents of the Issuer, as determined by the Board in its absolute discretion, as if such event were an Issuer Substitution Event.

The Class I Preference Shares shall be issued upon substitution of the Issuer Preference Shares and shall be issued credited as fully paid.

"Issuer Special Event" means either **(a)** that there is a more than an insubstantial risk that the Company would no longer obtain relief for the purposes of Singapore corporation tax for any payment of interest in respect of the Subordinated Note (as defined below) or **(b)** for any reason there is more than an insubstantial risk that for the purposes of the published consolidated or unconsolidated capital adequacy requirements of the Monetary Authority of Singapore (the **"MAS"**) from time to time applicable to the Company, the Issuer Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

"Issuer Substitution Event" means **(a)** the consolidated total capital adequacy ratio or Tier 1 capital ratio of the Company and its subsidiaries or the Company's unconsolidated total capital adequacy ratio or Tier 1 capital ratio, in each case calculated in accordance with the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, has fallen below the then applicable minimum ratio applicable to the Company, **(b)** the Board in its absolute discretion has notified the MAS and the Issuer that it has determined, in view of the Company's deteriorating financial condition, that any of the events described in **(a)** above is expected to occur in the near term, **(c)** proceedings have been commenced for a winding-up of the Company or **(d)** the MAS has assumed control of or otherwise exercised its powers under Section 49(2)(c) of the Banking Act, Chapter 19 of Singapore (or any successor statute) with respect to the Company.

"Issuer Tax Event" means that, as a result of any change in, or amendment to, any law or regulation of Singapore or the place of incorporation of the Issuer or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore or the place of incorporation of the Issuer **(a)** the Issuer would be subject to more than a *de minimis* amount of tax in Singapore or the place of incorporation of the Issuer, **(b)** payments to holders with

respect to the Issuer Preference Shares would be subject to deduction or withholding for or on account of tax or would give rise to any obligation of the Issuer to account for any tax in Singapore or the place of incorporation of the Issuer or (c) payments by the Company in respect of the Subordinated Note would be subject to deduction or withholding for or on account of tax in Singapore or the place of incorporation of the Issuer, and in each case such obligation cannot be avoided by the Company or the Issuer, as the case may be, taking reasonable measures available to it.

“**Subordinated Note**” means a subordinated note to be issued by the Company to the Issuer as determined by the Board evidencing the on-lending by the Issuer to the Company of the net proceeds of the Issuer Preference Shares.

The Class I Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Denomination

The par value of each Class I Preference Share shall be S\$0.01, with a liquidation preference of S\$100 (“**Liquidation Preference**”).

(2) Dividends

(a) Non-Cumulative Preferential Dividends. Subject to **Articles 71(2)(d), (f)** and **(g)** below, the Class I Preference Shares shall entitle the holder thereof (each, a “**Class I Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Articles 71(2)(b)** and **(c)** below. The Dividend shall be payable:

- (i)** semi-annually in arrear on 20 March and 20 September in each year up to and including the Dividend Re-Set Date (as defined below); and
- (ii)** thereafter quarterly in arrear on 20 March, 20 June, 20 September and 20 December in each year (each such date, and each of the dates in **Article 71(2)(a)(i)** above, a “**Dividend Date**”),

in each case when, as and if declared by the Board, provided that the first Dividend will be paid **(i)** in relation to the first issuance of the Class I Preference Shares, in respect of the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the date on which the Class I Preference Shares are first allotted and issued (the “**Issue Date**”) to, but excluding, the first Dividend Date after the Issue Date and **(ii)** in relation to any subsequent issuance of Class I Preference Shares, the period from, and including, the latter of **(aa)** the dividend payment date in respect of the Issuer Preference Shares immediately preceding the Issue Date and **(bb)** the Dividend Date immediately preceding the date on which the Class I Preference Shares comprised in that issuance are allotted and issued, to, but excluding, the Dividend Date immediately following the date on which the Class I Preference Shares comprised in that issuance are allotted and issued.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day. For the avoidance of doubt, where there is more than one issuance of Class I Preference Shares, the Issue Date, for the purposes of this **Article 71**, shall

be the date on which the first Class I Preference Shares are allotted and issued.

No Class I Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 71(2)(d), (f) and (g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class I Preference Shareholders or entitle the Class I Preference Shareholders to any claim in respect thereof against the Company.

"Business Day" means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

"Dividend Re-Set Date" shall be a date (if any), to be determined by the Board in its absolute discretion on or prior to the date the Issuer Preference Shares are first allotted and issued (the **"Issuer Preference Shares Issue Date"**), such date (if any) to be a dividend payment date in respect of the Issuer Preference Shares falling on or after the tenth anniversary of the Issuer Preference Shares Issue Date. For the avoidance of doubt, **(i)** the Board may determine in its absolute discretion on or prior to the Issuer Preference Shares Issue Date, that there shall be no Dividend Re-Set Date and **(ii)** where there is more than one issuance of Issuer Preference Shares, the Issuer Preference Shares Issue Date, for the purposes of this **Article 71**, shall be the date on which the first Issuer Preference Shares are allotted and issued.

- (b) Fixed Dividend Rate.** Each Class I Preference Share in issue on or prior to the Dividend Re-Set Date shall entitle the holder thereof to receive for each Dividend Period (as defined below) ending on or prior to the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issuer Preference Shares Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

"Dividend Period" means:

- (i)** in relation to the first issuance of Class I Preference Shares, the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date; and
- (ii)** in relation to any subsequent issuance of Class I Preference Shares, the period from, and including, the latter of:
 - (aa)** the dividend payment date in respect of the Issuer Preference Shares immediately preceding the Issue Date; and
 - (bb)** the Dividend Date immediately preceding the date on which the Class I Preference Shares comprised in that issuance are allotted and issued,

to, but excluding, the Dividend Date immediately following the date on which the Class I Preference Shares comprised in that issuance are allotted and issued and each successive period thereafter from, and including, a Dividend Date to, but excluding the next succeeding Dividend Date.

(c) **Floating Dividend Rate.** Each Class I Preference Share in issue after the Dividend Re-Set Date shall entitle the holder thereof to receive on each Dividend Date falling after the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Singapore dollars at a floating rate per annum equal to:

- (i) the three-month Singapore Swap Offer Rate (as defined below) in effect for the relevant Dividend Period; plus
- (ii) such rate of not less than 0.5 per cent. and not more than 10 per cent., as the Board may determine in its absolute discretion on or prior to the Issuer Preference Shares Issue Date and in compliance with the published capital adequacy requirements of the MAS applicable to the Company at the relevant time,

of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

Any determination by the Calculation Agent (as defined below) under this **Article 71** shall be final and conclusive absent manifest error.

"**Calculation Agent**" means such entity appointed as calculation agent for the purposes of this **Article 71** by the Board.

"**three-month Singapore Swap Offer Rate**" means, in respect of any Dividend Period, the rate determined by the Calculation Agent which appears under the caption "ASSOCIATION OF BANKS IN SINGAPORE - SIBOR AND SWAP OFFER RATES - RATES AT 11.00 A.M. SINGAPORE TIME" and the row headed "SGD" on Moneyline Telerate Service Page 50157 (or such other page as may replace Moneyline Telerate Service Page 50157 for the purpose of displaying Singapore swap offer rates of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date (as defined below); provided that, if at such time, no such rate is quoted on Moneyline Telerate Service Page 50157 (or such other replacement page as aforesaid) or Moneyline Telerate Service Page 50157 (or such other replacement page as aforesaid) is unavailable for any reason, "**three-month Singapore Swap Offer Rate**" means the "**Average Swap Rate**" (which shall be rounded up, if necessary, to the nearest four decimal places) for such Dividend Period determined by the Calculation Agent in accordance with the following formula:

In the case of Premium:

$$\text{Average Swap Rate} = \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} + \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right]$$

In the case of Discount:

$$\text{Average Swap Rate} = \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} - \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right]$$

where:

“SIBOR” = the rate which appears under the caption "SINGAPORE INTERBANK OFFER RATES (US\$)" and the column headed "FIXINGS" on Moneyline Telerate Service Page 50163 to 50164 (or such other page as may replace Moneyline Telerate Service Page 50163 to 50164 for the purpose of displaying Singapore inter-bank United States dollar offered rates of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date for a period equal to the duration of the Dividend Period concerned;

“Spot Rate” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks (as defined below) and which appear under the caption "ASSOCIATION OF BANKS IN SINGAPORE - SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE" and the column headed "SPOT" on Moneyline Telerate Service Page 50168 (or such other page as may replace Moneyline Telerate Service Page 50168 for the purpose of displaying the spot rates and swap points of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date;

“Premium or Discount” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates for a Premium or Discount quoted by the Reference Banks which appear under the caption "ASSOCIATION OF BANKS IN SINGAPORE - SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE" on Moneyline Telerate Service Page 50168 (or such other replacement page as aforesaid) at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date for a period equal to the duration of the Dividend Period concerned; and

“T” = the number of days in the Dividend Period concerned.

If on any Dividend Determination Date any one of the components for the purposes of calculating the Average Swap Rate above is not quoted on the relevant Moneyline Telerate Service Page (or such other replacement page as aforesaid) or the relevant Moneyline Telerate Service Page (or such other replacement page as aforesaid) is unavailable for any reason, the Calculation Agent shall request the principal Singapore offices of the Reference Banks to provide the Calculation Agent with quotations of their Swap Rates (as defined below) for the Dividend Period concerned at or about 11.00 a.m., Singapore time, on such Dividend Determination Date and the Average Swap Rate for such Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the Swap Rates quoted by the Reference Banks to the Calculation Agent. The “**Swap Rate**” of a Reference Bank means the rate at which that Reference Bank can generate Singapore dollars for the Dividend Period concerned in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date and shall be determined as follows:

In the case of Premium:

$$\begin{aligned} \text{Swap Rate} &= \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ &+ \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

In the case of Discount:

$$\begin{aligned} \text{Swap Rate} &= \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ &- \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

where:

“**SIBOR**” = the rate per annum at which United States dollar deposits for a period equal to the duration of the Dividend Period concerned are being offered by that Reference Bank to prime banks in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date;

“**Spot Rate**” = the rate at which that Reference Bank sells United States dollars spot in exchange for Singapore dollars in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant Dividend Determination Date;

“**Premium**” = the premium that would have been paid by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market;

"Discount" = the discount that would have been received by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market; and

"T" = the number of days in the Dividend Period concerned.

If on any Dividend Determination Date one only or none of the Reference Banks provides the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined by the Calculation Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about 11.00 a.m., Singapore time, on such Dividend Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Dividend Period, an amount equal to the aggregate Liquidation Preference for such Dividend Period by whatever means they determine to be most appropriate, or if on such Dividend Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the Average Swap Rate for the relevant Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about 11.00 a.m., Singapore time, on such Dividend Determination Date.

"Dividend Determination Date" means, with respect to any Dividend Period, the day falling two Business Days prior to the Dividend Date of that Dividend Period.

"Reference Banks" means three major banks in Singapore selected by the Calculation Agent.

(d) **Dividends at Board's Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class I Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7I** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class I Preference Shares shall rank as regards participation in profits *pari passu* with all other shares to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

(i) the Class I Preference Shares; or

(ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class I Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class I Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class I Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class I Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 71(5)** below.

"Parity Obligations" means any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares and the Class J Preference Shares) or any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis.

(f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obligated to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 71**) if:

- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
- (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
- (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class I Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Date.

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance

with Section 403 of the Companies Act, Chapter 50 of Singapore ("**Available Amounts**") as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on such Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Date, to the Class I Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Date (which certificate of the two Directors shall be binding absent manifest error) and "**Distributable Reserves**" as of such Dividend Date for purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 71(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Date, a notice ("**Dividend Limitation Notice**") to the share registrar of the Company for the time being ("**Registrar**") and the Class I Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class I Preference Shareholder, and so long as the Class I Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class I Preference Shares are listed on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") and the rules of SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 71(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 71(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend is not paid in full on the Class I Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class I Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"**Relevant Proportion**" means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7I**, be made to the Class I Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7I**, the Class I Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class I Preference Shares (or contribute any moneys to a sinking fund for the redemption of any such shares or securities); or

(ii) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, any Parity Obligations (or contribute any moneys to a sinking fund for the redemption of any such obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class I Preference Shareholders).

- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class I Preference Share shall bear interest against the Company.
- (l) **Net Dividends.** For the avoidance of doubt:
- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 71** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and
 - (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class I Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class I Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
 - (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class I Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class I Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class I Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) **Liquidation Distributions**

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class I Preference Shares, the Class I Preference Shares shall rank:
- (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations; and

- (iii) senior to the holders of the Company's ordinary shares and any other securities or obligations of the Company that are subordinated to the Class I Preference Shares.

On such a dissolution or winding up, each Class I Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution (as defined below).

"Liquidation Distribution" means, upon a dissolution or winding up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 71(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding up falls to and including the date of actual payment.

"Permitted Reorganisation" means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class I Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding up, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class I Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 71**, the Class I Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) **Redemption**

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class I Preference Shares for the time being issued and outstanding on such date(s), as may be determined by the Board in its absolute discretion on or prior to the Issuer Preference Shares Issue Date, such date(s) to correspond with the optional redemption date(s) in respect of the Issuer Preference Shares, in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

"Redemption Conditions" means:

- (i) that the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (ii) that the Distributable Reserves of the Company and/or share premium and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not

declared) in respect of the Dividend Period in which the relevant redemption falls.

"Replacement Capital" means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class I Preference Shares.

(b) Tax Event Redemption. If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class I Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i)** the satisfaction of the Redemption Conditions; and
- (ii)** the Company attaching to the relevant Redemption Notice (as defined in **Article 71(4)(e)** below):
 - (aa)** a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb)** an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 71**.

"Tax Event" means that, as a result of any change after the date of issuance of the Class I Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class I Preference Shareholders:

- (i)** would be subject to deduction or withholding for or on account of tax; or
- (ii)** would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) Special Event Redemption. If at any time a Special Event (as defined below) has occurred and is continuing, then the Class I Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i)** the satisfaction of the Redemption Conditions; and
- (ii)** the Company attaching to the relevant Redemption Notice:
 - (aa)** a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

- (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 71**.

"**Special Event**" means for any reason there is more than an insubstantial risk that for the purposes of the MAS' published consolidated and unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class I Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **Cash Redemption.** Any redemption of the Class I Preference Shares shall be made in cash.
- (e) **Redemption Notice.** If the Class I Preference Shares are to be redeemed, a notice of redemption (each, a "**Redemption Notice**") shall be mailed to each holder of the Class I Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption ("**Redemption Date**") in accordance with **Article 71(10)** below. Each Redemption Notice shall specify *inter alia*:
 - (i) the Redemption Date;
 - (ii) the Class I Preference Shares to be redeemed on the Redemption Date;
 - (iii) the Redemption Amount (as defined below); and
 - (iv) the place or places where the Class I Preference Shareholders may surrender share certificates (if applicable) in respect of the Class I Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (f) **Redemption Amount.** The cash amount ("**Redemption Amount**") payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 71(2)(f)** above and unless a Dividend Limitation Notice is in effect, any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls and ending on the date of such redemption. Any such redemption shall not prejudice the rights of the holder of the Class I Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.
- (g) **Payments.** Payments in respect of the amount due on redemption of a Class I Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate of the relevant Preference Shares (if any) at the place or one of the places specified in the Redemption Notice.
- (h) **Discharge.** A receipt given by the holder for the time being of any Class I Preference Share (or in the case of joint holders by the first-named joint

holder) in respect of the amount payable on redemption of the Class I Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) General.** Except as provided in this **Article 71(5)**, the Class I Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) Class Meetings.** The Class I Preference Shareholders shall be entitled to attend class meetings of the Class I Preference Shareholders. Every Class I Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class I Preference Share of which he is the holder.
- (c) General Meetings.** If Dividends with respect to the Class I Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class I Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class I Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class I Preference Shareholders). Every Class I Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class I Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class I Preference Shares. No repurchase of any Class I Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class I Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class I Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class I Preference Shares shall be made by the Company to any Class I Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class I Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class I Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 71(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 71(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class I Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class I Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class I Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class I Preference Shareholders (the quorum at such class meeting to be such number of Class I Preference Shareholders holding or representing not less than two-thirds of the outstanding Class I Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class I Preference Shareholders, impose any material obligation on the Class I Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares ranking *pari passu* with or junior to the Class I Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class I Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class I Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class I Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class I Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class I Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class I Preference Shareholder in accordance with **Article 7I(10)** below. Each such notice shall include a statement setting forth **(i)** the date, time and place of such meeting, **(ii)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(iii)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class I Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a)** any transfer of a Class I Preference Share (not being a fully paid Class I Preference Share); provided that where any Class I Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class I Preference Shares from taking place on an open and proper basis; and
- (b)** any transfer of a Class I Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class I Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class I Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) Newspaper Publication.** For so long as the Class I Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

7J. Class J Preference Shares

The Class J Preference Shares shall be provisionally allotted **(a)** at the time of, and in conjunction with, the issue of the preference shares **(i)** to be denominated in Euro, **(ii)** to be issued, as determined by the Board of Directors of the Company (or an authorised committee thereof) (the **"Board"**) in its absolute discretion, by a special purpose vehicle (the **"Issuer"**), as determined by the Board in its absolute discretion, wholly-owned, managed and under the sole control of the Company and **(iii)** which are expressed to be substituted by the Class J

Class J
Preference
Shares

Preference Shares (the “**Issuer Preference Shares**”) in certain circumstances and **(b)** to the persons to whom the Issuer Preference Shares are issued.

The Class J Preference Shares shall be deemed to be immediately issued and credited as fully-paid, on the basis of one Class J Preference Share for one Issuer Preference Share redeemed, upon the occurrence of an Issuer Substitution Event (as defined below) with respect to the Issuer Preference Shares.

“**Issuer Substitution Event**” means that **(a)** the consolidated total capital adequacy ratio or Tier 1 capital ratio of the Company and its subsidiaries or the Company’s unconsolidated total capital adequacy ratio or Tier 1 capital ratio, in each case calculated in accordance with the published consolidated or unconsolidated capital adequacy requirements of the Monetary Authority of Singapore (the “**MAS**”) from time to time applicable to the Company, has fallen below the minimum ratio then applicable to the Company, **(b)** the Board in its absolute discretion has notified the MAS and the Issuer that it has determined, in view of the Company’s deteriorating financial condition, that any of the events described in **(a)** above is expected to occur in the near term, **(c)** the MAS has assumed control of or otherwise exercised its powers under Section 49(2)(c) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) with respect to the Company, **(d)** the MAS has exercised its powers under Section 49(2) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) to direct the Company to effect an exchange of the Issuer Preference Shares for the Class J Preference Shares, **(e)** proceedings have been commenced for the winding-up of the Company whether in Singapore or elsewhere, **(f)** a Cessation of Control Event (as defined below) has occurred or **(g)** the Issuer, if, as and when directed by the Company, has given a notice in accordance with the Constitution or equivalent constitutive documents of the Issuer, following the occurrence of an Issuer Tax Event (as defined below) or, as the case may be, an Issuer Special Event (as defined below) that it elects to effect a substitution of the Issuer Preference Shares for the Class J Preference Shares.

“**Cessation of Control Event**” means that the Issuer has ceased to be wholly-owned, managed and under the sole control of the Company. For the purposes of this **Article 7J**, the Issuer is considered to be wholly-owned, managed and under the sole control of the Company when:

- (a)** the Company owns and controls the voting power attached to all the ordinary shares of the Issuer;
- (b)** all the executive officers of the Issuer are either employees of the Company or appointees of the Company. Where an appointee is a non-employee, the appointee shall be appointed pursuant to a management contract which requires the appointee to act in accordance with any instruction of the Company;
- (c)** the majority of the board of directors of the Issuer are employees of the Company or are appointees of the Company. In the case where appointees are non-employees, these persons are appointed pursuant to a management contract which requires them to act in accordance with any instruction of the Company; and
- (d)** no person other than the Company has the capacity to determine the outcome of decisions on the financial and operating policies of the Issuer.

“**Issuer Tax Event**” means that, as a result of any change in, or amendment to, any law or regulation of Singapore or the place of incorporation of the Issuer or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore or the place of incorporation of the Issuer **(a)** the Issuer would be subject to more than a *de minimis* amount of tax in Singapore or the place of incorporation of the Issuer, **(b)** payments to

holders with respect to the Issuer Preference Shares would be subject to deduction or withholding for or on account of tax or would give rise to any obligation of the Issuer to account for any tax in Singapore or the place of incorporation of the Issuer or (c) payments by the Company in respect of the Subordinated Note (as defined below) would be subject to deduction or withholding for or on account of tax in Singapore or the place of incorporation of the Issuer and in each case such obligation cannot be avoided by the Company or the Issuer, as the case may be, taking reasonable measures available to it.

“**Subordinated Note**” means a subordinated note issued or to be issued by the Company to the Issuer as determined by the Board evidencing the on-lending by the Issuer to the Company of the proceeds of the Issuer Preference Shares.

“**Issuer Special Event**” means that either (a) there is more than an insubstantial risk that the Company would no longer obtain relief for the purposes of Singapore corporation tax for any payment of interest in respect of the Subordinated Note or (b) for any reason, there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Issuer Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Class J Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class J Preference Share shall have a liquidation preference of EUR1,000 (“**Liquidation Preference**”).

(2) Dividends

(a) Non-Cumulative Preferential Dividends. Subject to **Articles 7J(2)(d), (f)** and **(g)** below, the Class J Preference Shares shall entitle the holder thereof (each, a “**Class J Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Articles 7J(2)(b)** and **(c)** below. The Dividend shall be payable:

- (i)** annually in arrear on 20 September in each year up to and including the Dividend Re-Set Date (as defined below); and
- (ii)** thereafter quarterly in arrear on 20 March, 20 June, 20 September and 20 December in each year (each such date, and the date in **Article 7J(2)(a)(i)** above, a “**Dividend Date**”, provided that if any such date in this **Article 7J(2)(a)(ii)** is not a Business Day (as defined below), such Dividend Date shall be the next following day that is a Business Day),

in each case when, as and if declared by the Board, provided that the first Dividend will be paid in respect of the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the date on which the Class J Preference Shares are issued in substitution for the Issuer Preference Shares (the “**Substitution Date**”) to, but excluding, the first Dividend Date after the Substitution Date.

If any Dividend Date in **Article 7J(2)(a)(i)** above would otherwise fall on a day which is not a Business Day, payment of the Dividend otherwise

payable on such date shall be postponed to the next day which is a Business Day.

No Class J Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7J(2)(d), (f) and (g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class J Preference Shareholders or entitle the Class J Preference Shareholders to any claim in respect thereof against the Company.

“Business Day” means a day other than a Saturday or Sunday on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System or any successor thereto is operating and on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in Singapore, New York and London.

“Dividend Re-Set Date” shall be a date (if any), to be determined by the Board in its absolute discretion on or prior to the date of issue of the Issuer Preference Shares (the **“Issue Date”**), such date (if any) to be a dividend payment date in respect of the Issuer Preference Shares falling on or after the tenth anniversary of the Issue Date. For the avoidance of doubt, the Board may determine in its absolute discretion on or prior to the Issue Date, that there shall be no Dividend Re-Set Date.

- (b) **Fixed Dividend Rate.** Each Class J Preference Share in issue on or prior to the Dividend Re-Set Date shall, subject to **Article 7J(2)(a)** above, entitle the holder thereof to receive for each Dividend Period (as defined below) ending on or prior to the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Euro at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the Day Count Fraction (as defined below).

“Day Count Fraction” means (i) prior to the Dividend Re-Set Date, the number of days in the relevant period divided by the actual number of days (365 or 366) in the relevant period and (ii) on or after the Dividend Re-Set Date, the actual number of days in the relevant period divided by 360.

“Dividend Period” means the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the Substitution Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

- (c) **Floating Dividend Rate.** Each Class J Preference Share in issue after the Dividend Re-Set Date shall entitle the holder thereof to receive on each Dividend Date falling after the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Euro at a floating rate per annum equal to:

- (i) the three-month EURIBOR (as defined below) in effect for the relevant Dividend Period; plus
- (ii) a margin of not less than 0.5 per cent. and not more than 10 per

cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and in compliance with the published capital adequacy requirements of the MAS applicable to the Company at the relevant time,

of the Liquidation Preference thereof, calculated on the basis of the Day Count Fraction.

Any determination by the Calculation Agent (as defined below) under this **Article 7J** shall be final and conclusive absent manifest error.

“**Calculation Agent**” means such entity for the time being appointed as calculation agent for the purposes of this **Article 7J** by the Board.

“**three-month EURIBOR**”, means in respect of any Dividend Period, the rate as determined by the Calculation Agent:

- (i) which is the offered rate for three-month Euro deposits as at 11.00 a.m. (Central European Time) on the EURIBOR Determination Date (as defined below), which appears on the display designated as page “248” on the Telerate Service (or such other page or service as may replace it for the purpose of displaying Euro-zone interbank offered rates of major banks for three-month Euro deposits);
- (ii) if the offered rate so appearing is replaced by the corresponding rates of more than one bank, then sub-paragraph (i) above shall be applied, with the necessary consequential changes, to the arithmetic mean (rounded, if necessary, up to the nearest 1/16 per cent.) of the rates (being at least two) which so appear, as determined by the Calculation Agent; and
- (iii) if on any EURIBOR Determination Date such offered rate does not appear on page “248” on the Telerate Service (or such other page or service as aforesaid), the rate which was in effect for the last preceding Dividend Period to which sub-paragraphs (i) and (ii) above shall have applied.

“**EURIBOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

- (d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class J Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7J** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.
- (e) **Ranking.** The Class J Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any

time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class J Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class J Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class J Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class J Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class J Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7J(5)** below.

“Parity Obligations” means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7J**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class J Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**"Available Amounts"**) as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class J Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **"Distributable Reserves"** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

"Dividend Determination Date" means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7J(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**"Dividend Limitation Notice"**) to the share registrar of the Company for the time being (**"Registrar"**) and the Class J Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend

Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class J Preference Shareholder except that where the Class J Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class J Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class J Preference Shares are listed on Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of the SGX- ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7J(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7J(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class J Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class J Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:
- (aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and
 - (bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,
- converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and
- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:
- (aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7J**, be made to the Class J Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7J**, the Class J Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class J Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

(ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class J Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class J Preference Share shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

(i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7J** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class J Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class J Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
 - (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class J Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class J Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class J Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class J Preference Shares, the Class J Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations of the Company; and
 - (iii) senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class J Preference Shares.

On such a dissolution or winding-up, each Class J Preference Share shall be entitled to receive in Euro an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7J(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class J Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class J Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7J**, the Class J Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class J Preference Shares for the time being issued and outstanding on such date(s), as the Board may determine in its absolute discretion on or prior to the Issue Date, such date(s) to correspond with the optional redemption date(s) in respect of the Issuer Preference Shares (which would have been applicable if the Issuer Preference Shares had not been substituted), in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (i) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (ii) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class J Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class J Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
 - (i) the satisfaction of the Redemption Conditions; and
 - (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7J(4)(e)** below):

- (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
- (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7J**.

“**Tax Event**” means that, as a result of any change after the Substitution Date in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class J Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to the Substitution Date,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class J Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7J**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class J Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **Cash Redemption.** Any redemption of the Class J Preference Shares shall be made in cash.

- (e) **Redemption Notice.** If the Class J Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class J Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class J Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class J Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class J Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7J(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class J Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class J Preference Shareholders may surrender share certificates (if applicable) in respect of the Class J Preference Shares and obtain payment of the Redemption Amount (as defined below).

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (f) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is:

- (i) in the case of a redemption pursuant to **Article 7J(4)(a) or (b)** above, an amount equal to the Redemption Price (as defined below); and
- (ii) in the case of a redemption pursuant to **Article 7J(4)(c)** above, an amount equal to the Special Event Redemption Price (as defined below).

The Redemption Amount shall be notified to each holder of the Class H Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7J(4)(e)** above.

Any such redemption shall not prejudice the rights of the holder of the Class J Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

“**Redemption Price**” means an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7J(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period

commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

“Special Event Redemption Price” means:

- (i) in the case of a redemption on a date which is prior to the Dividend Re-Set Date, an amount equal to the higher of **(aa)** the Liquidation Preference, together with, subject to the restrictions in **Article 7J(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption and **(bb)** the Make Whole Amount (as defined below) (if any); and
- (ii) in the case of a redemption on or after the Dividend Re-Set Date, the Redemption Price.

“Make Whole Amount” means, at any time prior to the Dividend Re-Set Date, an amount equal to the sum of:

- (i) the present value of the Liquidation Preference assuming a repayment thereof on the Dividend Re-Set Date; plus
- (ii) the present values of the remaining scheduled Dividends, to and including the Dividend Re-Set Date;

in each case discounted to the Redemption Date in accordance with the Day Count Fraction at a rate equal to the sum of **(aa)** a fixed rate of not less than 0.10 per cent. and not more than 2.50 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and **(bb)** the offer yield, as determined by the Calculation Agent, on the second Business Day prior to the Redemption Date, on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System or any successor thereto is operating, on an annual Actual/Actual basis, of the “on the run” German government bond, that is displayed on the Bloomberg German Government Pricing Monitor for reference Bund bonds, page PXGB (or such other page or service as may replace it for the purposes of displaying reference Bund bonds), and that has a maturity closest to the Dividend Re-Set Date.

- (g) **Payments.** Payments in respect of the amount due on redemption of a Class J Preference Share shall be made **(i)** in immediately available funds by direct transfer to an account maintained by the Class J Preference Shareholder with a bank if appropriate direct transfer instructions have been received by the Registrar in sufficient time prior to the relevant date of payment or **(ii)** by cheque if appropriate transfer instructions have not been received by the Registrar in sufficient time prior to the relevant date of payment in order for the Registrar to effect payment by direct transfer or **(iii)** by such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class J Preference Shares at the place or one of the places specified in the Redemption Notice.

- (h) **Discharge.** A receipt given by the holder for the time being of any Class J Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class J Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7J(5)**, the Class J Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class J Preference Shareholders shall be entitled to attend class meetings of the Class J Preference Shareholders. Every Class J Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class J Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class J Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class J Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class J Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class J Preference Shareholders). Every Class J Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class J Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class J Preference Shares. No repurchase of any Class J Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments on the Class J Preference Shares will be made free and clear by the Company without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed by or on behalf of Singapore or any authority thereof or therein having power to tax, unless such deduction or withholding of such Taxes is required by law. In the event that any such withholding or deduction in respect of any payment on the Class J Preference Shares is required by law, the Company will pay such additional amounts ("**Additional Amounts**") as will result in the receipt by the holders of the Class J Preference Shares of the amounts which would otherwise have been receivable in respect of such payment on the Class J Preference Shares in the absence of such withholding or deduction, provided that no such Additional Amounts shall be payable in respect of any of the Class J Preference Shares:

- (a) to or on behalf of a holder of Class J Preference Shares or beneficial owner with respect to Class J Preference Shares which is (i) treated as a resident

of Singapore or a permanent establishment in Singapore for tax purposes, or (ii) who is liable for such taxes, duties, assessments or governmental charges in respect of the Class J Preference Shares by reason of his being connected with Singapore other than by reason only of the holding of any of the Class J Preference Shares; and

- (b) to the extent that such Taxes would not have been required to be deducted or withheld but for the failure to comply by the holder of the Class J Preference Shares or beneficial owner with respect to the Class J Preference Shares with a request of the Company addressed to such holder to make any declaration of non-residence or other similar claim, which is required or imposed by a statute, treaty or administrative practice of Singapore, as the case may be, as a pre-condition to exemption from all or part of such Taxes.

For the avoidance of doubt, this **Article 7J(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7J(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class J Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class J Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class J Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class J Preference Shareholders (the quorum at such class meeting to be such number of Class J Preference Shareholders holding or representing not less than two-thirds of the outstanding Class J Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class J Preference Shareholders, impose any material obligation on the Class J Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class J Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class J Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class J Preference Shares in accordance with this Constitution; and

- (iv) no provision of the Class J Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class J Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class J Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class J Preference Shareholder in accordance with **Article 7J(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Holding and Transfer of Preference Shares

The Class J Preference Shares may only be held or transferred in amounts having an aggregate Liquidation Preference of at least EUR50,000.

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class J Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class J Preference Share (not being a fully paid Class J Preference Share); provided that where any Class J Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class J Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class J Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class J Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class J Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) **Newspaper Publication.** For so long as the Class J Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

- (c) **Clearing Systems.** Notwithstanding any other provisions of this Constitution, if the Class H Preference Shares are represented by a global certificate held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”) or Clearstream Banking, société anonyme, Luxembourg (“Clearstream, Luxembourg”), notices required to be given to holders of the Class H Preference Shares shall be given by their being delivered to Euroclear and Clearstream, Luxembourg, rather than by mail or publication. Any such notice will be deemed to have been given on the day the relevant clearing system receives such notice.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7J** and the other provisions of this Constitution, then the provisions of this **Article 7J** shall prevail.

7K. Class K Preference Shares

Class K
Preference
Shares

The Class K Preference Shares shall be provisionally allotted (a) at the time of, and in conjunction with, the issue of the preference shares (i) to be denominated in Yen, (ii) to be issued, as determined by the Board of Directors of the Company (or an authorised committee thereof) (the “Board”) in its absolute discretion, by a special purpose vehicle (the “Issuer”), as determined by the Board in its absolute discretion, wholly-owned, managed and under the sole control of the Company and (iii) which are expressed to be substituted by the Class K Preference Shares (the “Issuer Preference Shares”) in certain circumstances and (b) to the persons to whom the Issuer Preference Shares are issued.

The Class K Preference Shares shall be deemed to be immediately issued and credited as fully-paid, on the basis of one Class K Preference Share for one Issuer Preference Share redeemed, upon the occurrence of an Issuer Substitution Event (as defined below) with respect to the Issuer Preference Shares.

“Issuer Substitution Event” means that (a) the consolidated total capital adequacy ratio or Tier 1 capital ratio of the Company and its subsidiaries or the Company’s unconsolidated total capital adequacy ratio or Tier 1 capital ratio, in each case calculated in accordance with the published consolidated or unconsolidated capital adequacy requirements of the Monetary Authority of Singapore (the “MAS”) from time to time applicable to the Company, has fallen below the minimum ratio then applicable to the Company, (b) the Board in its absolute discretion has notified the MAS and the Issuer that it has determined, in view of the Company’s deteriorating financial condition, that any of the events described in (a) above is expected to occur in the near term, (c) the MAS has assumed control of or otherwise exercised its powers under Section 49(2)(c) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) with respect to the Company, (d) the MAS has exercised its powers under Section 49(2) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) to direct the Company to effect an exchange of the Issuer Preference Shares for the Class K Preference Shares, (e) proceedings have been commenced for the winding-up of the Company whether in Singapore or elsewhere, (f) a Cessation of Control Event (as defined below) has occurred or (g) the Issuer, if, as and when directed by the Company, has given a notice in accordance with the Constitution or equivalent constitutive documents of the Issuer, following the occurrence of an Issuer Tax Event (as defined below) or, as the case may be, an Issuer Special Event (as defined below) that it elects to effect a substitution of the Issuer Preference Shares for the Class K Preference Shares.

“Cessation of Control Event” means that the Issuer has ceased to be wholly-owned, managed and under the sole control of the Company. For the purposes of this **Article 7K**, the

Issuer is considered to be wholly-owned, managed and under the sole control of the Company when:

- (a) the Company owns and controls the voting power attached to all the ordinary shares of the Issuer;
- (b) all the executive officers of the Issuer are either employees of the Company or appointees of the Company. Where an appointee is a non-employee, the appointee shall be appointed pursuant to a management contract which requires the appointee to act in accordance with any instruction of the Company;

“Subordinated Note” means a subordinated note issued or to be issued by the Company to the Issuer as determined by the Board evidencing the on-lending by the Issuer to the Company of the proceeds of the Issuer Preference Shares.

The Class K Preference Shares shall have the following rights and be subject to the following restrictions.

(2) **Dividends**

(a) **Non-Cumulative Preferential Dividends.** Subject to **Articles 7K(2)(d), (f)** and **(g)** below, the Class K Preference Shares shall entitle the holder thereof (each, a “**Class K Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Articles 7K(2)(b)** and **(c)** below. The Dividend shall be payable:

If any Dividend Date in **Article 7K(2)(a)(i)** above would otherwise fall on a day which is not a Business Day, payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class K Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7K(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class K Preference Shareholders or entitle the Class K Preference Shareholders to any claim in respect thereof against the Company.

(b) **Fixed Dividend Rate.** Each Class K Preference Share in issue on or prior to the Dividend Re-Set Date shall, subject to **Article 7K(2)(a)** above, entitle the holder thereof to receive for each Dividend Period (as defined below) ending on or prior to the Dividend Re-Set Date Dividends (when, as and if declared

by the Board) payable in Yen at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the Day Count Fraction (as defined below) (or such other basis as the Board may determine in its absolute discretion on or prior to the Issue Date).

the Calculation Agent, at approximately 11.00 a.m., London time, on such Yen LIBOR Determination Date to prime banks in the London inter-bank market for a period of three months and in an amount that is representative for a single transaction in the relevant market at the relevant time and (iii) if on any Yen LIBOR Determination Date, only one or no such rate is quoted, the rate for the Dividend Period immediately following such Yen LIBOR Determination Date shall be the rate which the Calculation Agent determines to be the arithmetic mean (rounded up, if necessary, to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of the rates at which deposits in Yen are offered by major banks in the London inter-bank market, selected by the Calculation Agent, at approximately 11.00 a.m., London time, on such Yen LIBOR Determination Date to prime banks in the London inter-bank market for a period of three months and in an amount that is representative for a single transaction in the relevant market at the relevant time, except that, if the major banks so selected by the Calculation Agent are not quoting as aforementioned, the rate for such Dividend Period shall be the rate in effect for the last preceding Dividend Period to which one of (i) or (ii) shall have applied.

“**Yen LIBOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

(d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class K Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7K** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class K Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company’s ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class K Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class K Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class K Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class K Preference Shares; or
- (bb) any other Parity Obligations,

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7K**) if:
 - (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions

originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class K Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**"Available Amounts"**) as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class K Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **"Distributable Reserves"** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

"Dividend Determination Date" means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7K(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**"Dividend Limitation Notice"**) to the share registrar of the Company for the time being (**"Registrar"**) and the Class K Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class K Preference Shareholder except that where the Class K Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class K Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class K Preference Shares are listed on Singapore Exchange Securities Trading Limited (**"SGX-ST"**) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7K(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7K(2)(f)** above or the terms of a Parity Obligation, on the relevant

Dividend Date, a Dividend which has been declared is not paid in full on the Class K Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class K Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"Relevant Proportion" means:

(i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

(ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7K**, be made to the Class K Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7K**, the Class K Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the

Class K Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

- (ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class K Preference Shareholders).

- (k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class K Preference Share shall bear interest against the Company.

- (l) **Net Dividends.** For the avoidance of doubt:

- (i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7K** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

- (aa) to pay, or make available to any Class K Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class K Preference Shareholders for not paying or not making available such Tax Credits;

- (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class K Preference Shares are outstanding as of such time.

(3) Liquidation Distributions

- (a) Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class K Preference Shares, the Class K Preference Shares shall rank:
- (i)** junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii)** *pari passu* with all Parity Obligations of the Company; and
 - (iii)** senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class K Preference Shares.

On such a dissolution or winding-up, each Class K Preference Share shall be entitled to receive in Yen an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7K(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class K Preference Shares.

- (b) Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class K Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) No Further Rights to Participate in Assets.** Save as set out in this **Article 7K**, the Class K Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class K Preference Shares for the time being issued and outstanding on such date(s), as the Board may determine in its absolute discretion on or prior to the Issue Date, such date(s) to correspond with the optional redemption date(s) in respect of the Issuer Preference Shares (which would have been applicable if the Issuer Preference Shares had not been substituted), in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“**Redemption Conditions**” means that:

- (i)** the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (ii)** the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“**Replacement Capital**” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class K Preference Shares.

- (b) Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class K Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i)** the satisfaction of the Redemption Conditions; and
- (ii)** the Company attaching to the relevant Redemption Notice (as defined in **Article 7K(4)(e)** below):
 - (aa)** a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb)** an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7K**.

“**Tax Event**” means that, as a result of any change after the Substitution Date in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class K Preference Shareholders:

- (i)** would be subject to deduction or withholding for or on account of tax; or

- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to the Substitution Date,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class K Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7K**.

“**Special Event**” means for any reason there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class K Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **Cash Redemption.** Any redemption of the Class K Preference Shares shall be made in cash.
- (e) **Redemption Notice.** If the Class K Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class K Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class K Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class K Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class K Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7K(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;

- (ii) the Class K Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class K Preference Shareholders may surrender share certificates (if applicable) in respect of the Class K Preference Shares and obtain payment of the Redemption Amount (as defined below).

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

(f) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is:

- (i) in the case of a redemption pursuant to **Article 7K(4)(a) or (b)** above, an amount equal to the Redemption Price (as defined below); and
- (ii) in the case of a redemption pursuant to **Article 7K(4)(c)** above, an amount equal to the Special Event Redemption Price (as defined below).

The Redemption Amount shall be notified to each holder of the Class K Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7K(4)(e)** above.

Any such redemption shall not prejudice the rights of the holder of the Class K Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

“**Redemption Price**” means an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7K(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption (or such other amount as the Board may determine in its absolute discretion on or prior to the Issue Date).

“**Special Event Redemption Price**” means:

- (i) in the case of a redemption on a date which is prior to the Dividend Re-Set Date, an amount equal to the higher of **(aa)** the Liquidation Preference, together with, subject to the restrictions in **Article 7K(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption and **(bb)** the Make Whole Amount (as defined below) (if any); and
- (ii) in the case of a redemption on or after the Dividend Re-Set Date, the Redemption Price,

(or such other amount as the Board may determine in its absolute discretion on or prior to the Issue Date).

“Make Whole Amount” means, at any time prior to the Dividend Re-Set Date, an amount equal to the sum of:

- (i) the present value of the Liquidation Preference assuming a repayment thereof on the Dividend Re-Set Date; plus
- (ii) the present values of the remaining scheduled Dividends, to and including the Dividend Re-Set Date;

in each case discounted to the Redemption Date in accordance with the Day Count Fraction at a rate equal to the sum of **(aa)** a fixed rate of not less than 0.10 per cent. and not more than 2.50 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and **(bb)** the Japanese government bond yield (as defined below) (or such other rate as the Board may determine in its absolute discretion on or prior to the Issue Date).

“Japanese government bond yield” means the yield calculated as follows: the Calculation Agent will appoint five primary bond dealers who are credit institutions or financial services institutions that regularly deal in bonds and other debt securities in the Yen market. The Calculation Agent will also appoint one of the primary bond dealers as quotation agent. The quotation agent will select a Japanese government benchmark security that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Class K Preference Shares from the Redemption Date to the Dividend Re-Set Date. The primary bond dealers will provide bid and asked prices for the comparable bond issue (expressed in each case as a percentage of its principal amount) quoted in writing to the calculation agent at 3.00 p.m. (Tokyo time) on the third Business Day before the Redemption Date. The Calculation Agent will calculate the average of the bid and asked prices provided by each primary bond dealer to obtain such bond dealer’s quotation. The Calculation Agent will eliminate the highest and the lowest quotations and then calculate the average of the remaining quotations; provided, however, that if the Calculation Agent obtains fewer than five quotations, it will calculate the average of all the quotations without eliminating any of them. The average quotation is called the **“comparable bond price”**. The applicable Japanese government bond yield will be determined by the quotation agent and will be the semi-annual equivalent yield to maturity of a security whose price is equal to the comparable bond price, in each case expressed as a percentage of its principal amount.

- (g) **Payments.** Payments in respect of the amount due on redemption of a Class K Preference Share shall be made **(i)** in immediately available funds by direct transfer to an account maintained by the Class K Preference Shareholder with a bank if appropriate direct transfer instructions have been received by the Registrar in sufficient time prior to the relevant date of payment or **(ii)** by cheque if appropriate transfer instructions have not been received by the Registrar in sufficient time prior to the relevant date of payment in order for the Registrar to effect payment by direct transfer or **(iii)** by such other method as the Directors of the Company may specify in the

Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class K Preference Shares at the place or one of the places specified in the Redemption Notice.

- (h) **Discharge.** A receipt given by the holder for the time being of any Class K Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class K Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7K(5)**, the Class K Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class K Preference Shareholders shall be entitled to attend class meetings of the Class K Preference Shareholders. Every Class K Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class K Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class K Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class K Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class K Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class K Preference Shareholders). Every Class K Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class K Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class K Preference Shares. No repurchase of any Class K Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments on the Class K Preference Shares will be made free and clear by the Company without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed by or on behalf of Singapore or any authority thereof or therein having power to tax, unless such deduction or withholding of such Taxes is required by law. In the event that any such withholding or deduction in respect of any payment on the Class K Preference Shares is required by law, the Company will pay such additional amounts ("**Additional Amounts**") as will result in the receipt by the holders of the Class K Preference Shares of the amounts which would otherwise have been receivable in respect of such payment on the Class K Preference Shares in the

absence of such withholding or deduction, provided that no such Additional Amounts shall be payable in respect of any of the Class K Preference Shares:

- (a) to or on behalf of a holder of Class K Preference Shares or beneficial owner with respect to Class K Preference Shares which is (i) treated as a resident of Singapore or a permanent establishment in Singapore for tax purposes, or (ii) who is liable for such taxes, duties, assessments or governmental charges in respect of the Class K Preference Shares by reason of his being connected with Singapore other than by reason only of the holding of any of the Class K Preference Shares; and
- (b) to the extent that such Taxes would not have been required to be deducted or withheld but for the failure to comply by the holder of the Class K Preference Shares or beneficial owner with respect to the Class K Preference Shares with a request of the Company addressed to such holder to make any declaration of non-residence or other similar claim, which is required or imposed by a statute, treaty or administrative practice of Singapore, as the case may be, as a pre-condition to exemption from all or part of such Taxes.

For the avoidance of doubt, this **Article 7K(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7K(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class K Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class K Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class K Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class K Preference Shareholders (the quorum at such class meeting to be such number of Class K Preference Shareholders holding or representing not less than two-thirds of the outstanding Class K Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class K Preference Shareholders, impose any material obligation on the Class K Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class K Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable,

shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class K Preference Shares);

- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class K Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class K Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class K Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class K Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class K Preference Shareholder in accordance with **Article 7K(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Holding and Transfer of Preference Shares

The Class K Preference Shares may only be held or transferred in amounts having an aggregate Liquidation Preference of at least ¥500,000,000 (or such other amount as the Board may determine in its absolute discretion on or prior to the Issue Date).

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class K Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class K Preference Share (not being a fully paid Class K Preference Share); provided that where any Class K Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class K Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class K Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class K Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class K Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) Newspaper Publication.** For so long as the Class K Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.
- (c) Clearing Systems.** Notwithstanding any other provisions of this Constitution, if the Class H Preference Shares are represented by a global certificate held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”) or Clearstream Banking, société anonyme, Luxembourg (“Clearstream, Luxembourg”), notices required to be given to holders of the Class H Preference Shares shall be given by their being delivered to Euroclear and Clearstream, Luxembourg, rather than by mail or publication. Any such notice will be deemed to have been given on the day the relevant clearing system receives such notice.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7K** and the other provisions of this Constitution, then the provisions of this **Article 7K** shall prevail.

7L. Class L Preference Shares

Class L
Preference
Shares

The Class L Preference Shares shall be provisionally allotted **(a)** at the time of, and in conjunction with, the issue of the preference shares **(i)** to be denominated in Singapore dollars, **(ii)** to be issued, as determined by the Board of Directors of the Company (or an authorised committee thereof) (the “**Board**”) in its absolute discretion, by a special purpose vehicle (the “**Issuer**”), as determined by the Board in its absolute discretion, wholly-owned, managed and under the sole control of the Company and **(iii)** which are expressed to be substituted by the Class L Preference Shares (the “**Issuer Preference Shares**”) in certain circumstances and **(b)** to the persons to whom the Issuer Preference Shares are issued.

The Class L Preference Shares shall be deemed to be immediately issued and credited as fully-paid, on the basis of one Class L Preference Share for one Issuer Preference Share redeemed, upon the occurrence of an Issuer Substitution Event (as defined below) with respect to the Issuer Preference Shares.

“**Issuer Substitution Event**” means that **(a)** the consolidated total capital adequacy ratio or Tier 1 capital ratio of the Company and its subsidiaries or the Company’s unconsolidated total capital adequacy ratio or Tier 1 capital ratio, in each case calculated in accordance with the published consolidated or unconsolidated capital adequacy requirements of the Monetary Authority of Singapore (the “**MAS**”) from time to time applicable to the Company, has fallen below the minimum ratio then applicable to the Company, **(b)** the Board in its absolute discretion has notified the MAS and the Issuer that it has determined, in view of the Company’s deteriorating financial condition, that any of the events described in **(a)** above is expected to occur in the near term, **(c)** the MAS has assumed control of or otherwise exercised its powers under Section 49(2)(c) of the Banking Act, Chapter 19 of Singapore (or any successor provisions) with respect to the Company, **(d)** the MAS has exercised its powers under Section 49(2) of the Banking Act, Chapter 19 of Singapore (or any successor

provisions) to direct the Company to effect an exchange of the Issuer Preference Shares for the Class L Preference Shares, (e) proceedings have been commenced for the winding-up of the Company whether in Singapore or elsewhere, (f) a Cessation of Control Event (as defined below) has occurred or (g) the Issuer, if, as and when directed by the Company, has given a notice in accordance with the Constitution or equivalent constitutive documents of the Issuer, following the occurrence of an Issuer Tax Event (as defined below) or, as the case may be, an Issuer Special Event (as defined below) that it elects to effect a substitution of the Issuer Preference Shares for the Class L Preference Shares.

“**Cessation of Control Event**” means that the Issuer has ceased to be wholly-owned, managed and under the sole control of the Company. For the purposes of this **Article 7L**, the Issuer is considered to be wholly-owned, managed and under the sole control of the Company when:

- (a) the Company owns and controls the voting power attached to all the ordinary shares of the Issuer;
- (b) all the executive officers of the Issuer are either employees of the Company or appointees of the Company. Where an appointee is a non-employee, the appointee shall be appointed pursuant to a management contract which requires the appointee to act in accordance with any instruction of the Company;
- (c) the majority of the board of directors of the Issuer are employees of the Company or are appointees of the Company. In the case where appointees are non-employees, these persons are appointed pursuant to a management contract which requires them to act in accordance with any instruction of the Company; and
- (d) no person other than the Company has the capacity to determine the outcome of decisions on the financial and operating policies of the Issuer.

“**Issuer Tax Event**” means that, as a result of any change in, or amendment to, any law or regulation of Singapore or the place of incorporation of the Issuer or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore or the place of incorporation of the Issuer (a) the Issuer would be subject to more than a *de minimis* amount of tax in Singapore or the place of incorporation of the Issuer, (b) payments to holders with respect to the Issuer Preference Shares would be subject to deduction or withholding for or on account of tax or would give rise to any obligation of the Issuer to account for any tax in Singapore or the place of incorporation of the Issuer or (c) payments by the Company in respect of the Subordinated Note (as defined below) would be subject to deduction or withholding for or on account of tax in Singapore or the place of incorporation of the Issuer, and in each case such obligation cannot be avoided by the Company or the Issuer, as the case may be, taking reasonable measures available to it.

“**Subordinated Note**” means a subordinated note issued or to be issued by the Company to the Issuer as determined by the Board evidencing the on-lending by the Issuer to the Company of the proceeds of the Issuer Preference Shares.

“**Issuer Special Event**” means that either (a) there is more than an insubstantial risk that the Company would no longer obtain relief for the purposes of Singapore corporation tax for any payment of interest in respect of the Subordinated Note or (b) for any reason, there is more than an insubstantial risk that for the purposes of the MAS’ published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Issuer Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Class L Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class L Preference Share shall have a liquidation preference of S\$100 (“**Liquidation Preference**”).

(2) Dividends

(a) Non-Cumulative Preferential Dividends. Subject to **Articles 7L(2)(d), (f)** and **(g)** below, the Class L Preference Shares shall entitle the holder thereof (each, a “**Class L Preference Shareholder**”) to receive a non-cumulative preferential cash dividend (“**Dividend**”) on the Liquidation Preference thereof calculated on the bases set out in **Articles 7L(2)(b)** and **(c)** below. The Dividend shall be payable:

- (i)** semi-annually in arrear on 20 March and 20 September in each year up to and including the Dividend Re-Set Date (as defined below); and
- (ii)** thereafter quarterly in arrear on 20 March, 20 June, 20 September and 20 December in each year (each such date, and each of the dates in **Article 7L(2)(a)(i)** above, a “**Dividend Date**”, provided that if any such date in this **Article 7L(2)(a)(ii)** is not a Business Day (as defined below), such Dividend Date shall be the next following day that is a Business Day),

in each case when, as and if declared by the Board, provided that the first Dividend will be paid in respect of the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the date on which the Class L Preference Shares are issued in substitution for the Issuer Preference Shares (the “**Substitution Date**”) to, but excluding, the first Dividend Date after the Substitution Date.

If any Dividend Date in **Article 7L(2)(a)(i)** above would otherwise fall on a day which is not a Business Day, payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day.

No Class L Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7L(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class L Preference Shareholders or entitle the Class L Preference Shareholders to any claim in respect thereof against the Company.

“**Business Day**” means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

“**Dividend Re-Set Date**” shall be a date (if any), to be determined by the Board in its absolute discretion on or prior to the date of issue of the Issuer Preference Shares (the “**Issue Date**”), such date (if any) to be a dividend payment date in respect of the Issuer Preference Shares falling on or after the tenth anniversary of the Issue Date. For the avoidance of doubt, the Board may determine in its absolute discretion on or prior to the Issue Date, that there shall be no Dividend Re-Set Date.

- (b) **Fixed Dividend Rate.** Each Class L Preference Share in issue on or prior to the Dividend Re-Set Date shall, subject to **Article 7L(2)(a)** above, entitle the holder thereof to receive for each Dividend Period (as defined below) ending on or prior to the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

“**Dividend Period**” means the period from, and including, the dividend payment date in respect of the Issuer Preference Shares immediately preceding the Substitution Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

- (c) **Floating Dividend Rate.** Each Class L Preference Share in issue after the Dividend Re-Set Date shall entitle the holder thereof to receive on each Dividend Date falling after the Dividend Re-Set Date Dividends (when, as and if declared by the Board) payable in Singapore dollars at a floating rate per annum equal to:

- (i) the three-month SGD Swap Offer Rate (as defined below) in effect for the relevant Dividend Period; plus
- (ii) a margin of not less than 0.5 per cent. and not more than 10 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date and in compliance with the published capital adequacy requirements of the MAS applicable to the Company at the relevant time,

of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

Any determination by the Calculation Agent (as defined below) under this **Article 7L** shall be final and conclusive absent manifest error.

“**Calculation Agent**” means such entity for the time being appointed as calculation agent for the purposes of this **Article 7L** by the Board.

“**three-month SGD Swap Offer Rate**” means, in respect of any Dividend Period, the rate determined by the Calculation Agent which appears under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SIBOR AND SWAP OFFER RATES — RATES AT 11.00 A.M. SINGAPORE TIME” and the row headed “SGD” on Moneyline Telerate Service page 50157 (or such other page as may replace Moneyline Telerate Service page 50157 for the purpose of displaying Singapore swap offer rates of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date (as defined below); provided that, if at such time, no such rate is quoted on Moneyline Telerate Service page 50157 (or such other replacement page as aforesaid) or Moneyline Telerate Service page 50157 (or such other replacement page as aforesaid) is unavailable for any reason, “**three-month SGD Swap Offer Rate**” means the “**Average Swap Rate**” (which shall be rounded up, if necessary, to the nearest four decimal

places) for such Dividend Period determined by the Calculation Agent in accordance with the following formula:

In the case of Premium:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & + \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

In the case of Discount:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & - \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

where:

“SIBOR” = the rate which appears under the caption “SINGAPORE INTERBANK OFFER RATES (US\$)” and the column headed “FIXINGS” on Moneyline Telerate Service page 50163 to 50164 (or such other page as may replace Moneyline Telerate Service page 50163 to 50164 for the purpose of displaying Singapore inter-bank United States dollar offered rates of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date for a period equal to the duration of the Dividend Period concerned;

“Spot Rate” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks (as defined below) and which appear under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE” and the column headed “SPOT” on Moneyline Telerate Service page 50168 (or such other page as may replace Moneyline Telerate Service page 50168 for the purpose of displaying the spot rates and swap points of leading reference banks) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“Premium or Discount” = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates for a Premium or Discount quoted by the Reference Banks which appear under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SGD SPOT AND SWAP

OFFER RATES AT 11.00 A.M. SINGAPORE” on Moneyline Telerate Service page 50168 (or such other replacement page as aforesaid) at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date for a period equal to the duration of the Dividend Period concerned; and

“**T**” = the number of days in the Dividend Period concerned.

If on any SOR Determination Date any one of the components for the purposes of calculating the Average Swap Rate above is not quoted on the relevant Moneyline Telerate Service page (or such other replacement page as aforesaid) or the relevant Moneyline Telerate Service page (or such other replacement page as aforesaid) is unavailable for any reason, the Calculation Agent shall request the principal Singapore offices of the Reference Banks to provide the Calculation Agent with quotations of their Swap Rates (as defined below) for the Dividend Period concerned at or about 11.00 a.m., Singapore time, on such SOR Determination Date and the Average Swap Rate for such Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the Swap Rates quoted by the Reference Banks to the Calculation Agent. The “**Swap Rate**” of a Reference Bank means the rate at which that Reference Bank can generate Singapore dollars for the Dividend Period concerned in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date and shall be determined as follows:

In the case of Premium:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] + \frac{(\text{Premium} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & + \left[\frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

In the case of Discount:

$$\begin{aligned} \text{Average Swap Rate} = & \left[\frac{365}{360} \times \text{SIBOR} \right] - \frac{(\text{Discount} \times 36500)}{(\text{T} \times \text{Spot Rate})} \\ & - \left[\frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \right] \end{aligned}$$

where:

“**SIBOR**” = the rate per annum at which United States dollar deposits for a period equal to the duration of the Dividend Period concerned are being offered by that Reference Bank to prime banks in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“**Spot Rate**” = the rate at which that Reference Bank sells United States dollars spot in exchange for

Singapore dollars in the Singapore inter-bank market at or about 11.00 a.m., Singapore time, on the relevant SOR Determination Date;

“**Premium**” = the premium that would have been paid by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market;

“**Discount**” = the discount that would have been received by that Reference Bank in buying United States dollars forward in exchange for Singapore dollars on the last day of the Dividend Period concerned in the Singapore inter-bank market; and

“**T**” = the number of days in the Dividend Period concerned.

If on any SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined by the Calculation Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about 11.00 a.m., Singapore time, on such SOR Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Dividend Period, an amount equal to the aggregate Liquidation Preference for such Dividend Period by whatever means they determine to be most appropriate, or if on such SOR Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the Average Swap Rate for the relevant Dividend Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about 11.00 a.m., Singapore time, on such SOR Determination Date.

“**SOR Determination Date**” means, with respect to any Dividend Period, the day falling two Business Days prior to the first day of that Dividend Period.

“**Reference Banks**” means three major banks in Singapore selected by the Calculation Agent.

(d) **Dividends at Board’s Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class L Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7L** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

(e) **Ranking.** The Class L Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that

they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class L Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class L Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class L Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class L Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class L Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7L(5)** below.

"Parity Obligations" means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7L**) if:
- (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the MAS from making payment in full of dividends or other distributions when due on Parity Obligations; or
 - (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
 - (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class L Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**"Available Amounts"**) as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class L Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **"Distributable Reserves"** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

"Dividend Determination Date" means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7L(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**"Dividend Limitation Notice"**) to the share registrar of the Company for the time being (**"Registrar"**) and the Class L Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in

which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class L Preference Shareholder except that where the Class L Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class L Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class L Preference Shares are listed on Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7L(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7L(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class L Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class L Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company’s then-current fiscal year.

“**Relevant Proportion**” means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

(aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company’s then-current fiscal year; and

(bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company’s then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

(aa) the full Liquidation Distribution before any reduction or abatement hereunder; and

(bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

(i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7L**, be made to the Class L Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend Date. Save as set out in this **Article 7L**, the Class L Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class L Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

(ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class L Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class L Preference Share shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

(i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7L** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

- (ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):
 - (aa) to pay, or make available to any Class L Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class L Preference Shareholders for not paying or not making available such Tax Credits;
 - (bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or
 - (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class L Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class L Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class L Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) Liquidation Distributions

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class L Preference Shares, the Class L Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations of the Company; and
 - (iii) senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class L Preference Shares.

On such a dissolution or winding-up, each Class L Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7L(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend

Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“Permitted Reorganisation” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class L Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class L Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.
- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7L**, the Class L Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) **Redemption**

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class L Preference Shares for the time being issued and outstanding on such date(s), as the Board may determine in its absolute discretion on or prior to the Issue Date, such date(s) to correspond with the optional redemption date(s) in respect of the Issuer Preference Shares (which would have been applicable if the Issuer Preference Shares had not been substituted), in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

“Redemption Conditions” means that:

- (i) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (ii) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

“Replacement Capital” means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class L Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class L Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:
 - (i) the satisfaction of the Redemption Conditions; and

(ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7L(4)(e)** below):

(aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

(bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7L**.

"Tax Event" means that, as a result of any change after the Substitution Date in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class L Preference Shareholders:

(i) would be subject to deduction or withholding for or on account of tax; or

(ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to the Substitution Date,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

(c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class L Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

(i) the satisfaction of the Redemption Conditions; and

(ii) the Company attaching to the relevant Redemption Notice:

(aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

(bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7L**.

"Special Event" means for any reason there is more than an insubstantial risk that for the purposes of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class L Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **Cash Redemption.** Any redemption of the Class L Preference Shares shall be made in cash.
- (e) **Redemption Notice.** If the Class L Preference Shares are to be redeemed, a notice of redemption (each, a “**Redemption Notice**”) shall be mailed to each holder of the Class L Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption (“**Redemption Date**”), except that where the Class L Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class L Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class L Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7L(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class L Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class L Preference Shareholders may surrender share certificates (if applicable) in respect of the Class L Preference Shares and obtain payment of the Redemption Amount (as defined below).

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (f) **Redemption Amount.** The cash amount (“**Redemption Amount**”) payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7L(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class L Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7L(4)(e)** above.

- (g) **Payments.** Payments in respect of the amount due on redemption of a Class L Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class L Preference Shares at the place or one of the places specified in the Redemption Notice.

- (h) **Discharge.** A receipt given by the holder for the time being of any Class L Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class L Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7L(5)**, the Class L Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class L Preference Shareholders shall be entitled to attend class meetings of the Class L Preference Shareholders. Every Class L Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class L Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class L Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class L Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class L Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class L Preference Shareholders). Every Class L Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class L Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class L Preference Shares. No repurchase of any Class L Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class L Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class L Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class L Preference Shares shall be made by the Company to any Class L Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class L Preference Shareholder shall have

provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class L Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7L(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7L(2)(I)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class L Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class L Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class L Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class L Preference Shareholders (the quorum at such class meeting to be such number of Class L Preference Shareholders holding or representing not less than two-thirds of the outstanding Class L Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class L Preference Shareholders, impose any material obligation on the Class L Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class L Preference Shares (the creation or issue of such other shares, regardless of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class L Preference Shares);
- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class L Preference Shares in accordance with this Constitution; and
- (iv) no provision of the Class L Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the

Class L Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class L Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class L Preference Shareholder in accordance with **Article 7L(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class L Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a)** any transfer of a Class L Preference Share (not being a fully paid Class L Preference Share); provided that where any Class L Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class L Preference Shares from taking place on an open and proper basis; and
- (b)** any transfer of a Class L Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class L Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class L Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.
- (b) Newspaper Publication.** For so long as the Class L Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7L** and the other provisions of this Constitution, then the provisions of this **Article 7L** shall prevail.

7M. Class M Preference Shares

Class M
Preference
Shares

The Class M Preference Shares shall have the following rights and be subject to the following restrictions.

(1) Liquidation Preference

Each Class M Preference Share shall have a liquidation preference of S\$1 ("**Liquidation Preference**").

(2) Dividends

(a) Non-Cumulative Preferential Dividends. Subject to **Articles 7M(2)(d), (f)** and **(g)** below, the Class M Preference Shares shall entitle the holder thereof (each, a "**Class M Preference Shareholder**") to receive a non-cumulative preferential cash dividend ("**Dividend**") on the Liquidation Preference thereof calculated on the bases set out in **Article 7M(2)(c)** below.

(b) Dividend Payment Dates. The Dividend shall be payable semi-annually in arrear on 20 June and 20 December in each year (each such date, a "**Dividend Date**") when, as and if declared by the Board of Directors of the Company (or an authorised committee thereof) ("**Board**").

The first Dividend Date shall:

- (i)** if the date ("**Issue Date**") on which the Class M Preference Shares are first allotted and issued falls before 20 June in any calendar year, be on 20 June in that calendar year;
- (ii)** if the Issue Date falls **(I)** on or after 20 June in any calendar year and **(II)** before 20 December in the same calendar year, be on 20 December in that calendar year; and
- (iii)** if the Issue Date falls on or after 20 December in any calendar year, be on 20 June in the next calendar year.

If any Dividend Date would otherwise fall on a day which is not a Business Day (as defined below), payment of the Dividend otherwise payable on such date shall be postponed to the next day which is a Business Day. For the avoidance of doubt, where there is more than one issuance of Class M Preference Shares, the Issue Date for the purposes of this **Article 7M**, shall be the date on which the first Class M Preference Shares are allotted and issued.

No Class M Preference Shareholder shall have any claim in respect of any Dividend or part thereof not due or payable pursuant to **Articles 7M(2)(d), (f)** and **(g)** below. Accordingly, such amount shall not accumulate for the benefit of the Class M Preference Shareholders or entitle the Class M Preference Shareholders to any claim in respect thereof against the Company.

"**Business Day**" means a day other than a Saturday or Sunday on which commercial banks are open for business in Singapore.

- (c) **Fixed Dividend Rate.** Each Class M Preference Share in issue shall entitle the holder thereof to receive for each Dividend Period (as defined below) Dividends (when, as and if declared by the Board) payable in Singapore dollars at a fixed rate per annum of not less than two per cent. and not more than 25 per cent., as the Board may determine in its absolute discretion on or prior to the Issue Date, of the Liquidation Preference thereof, calculated on the basis of the actual number of days in the relevant period divided by 365.

"Dividend Period" means:

- (i) in relation to the first issuance of Class M Preference Shares, the period from, and including, the Issue Date to, but excluding, the first Dividend Date and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date; and
- (ii) in relation to any subsequent issuance of Class M Preference Shares, the period from, and including, the latter of:
- (aa) the Issue Date; and
- (bb) the Dividend Date immediately preceding the date on which the Class M Preference Shares comprised in that issuance are allotted and issued,

to, but excluding, the Dividend Date immediately following the date on which the Class M Preference Shares comprised in that issuance are allotted and issued and each successive period thereafter from, and including, a Dividend Date to, but excluding, the next succeeding Dividend Date.

- (d) **Dividends at Board's Discretion.** Any decision regarding the declaration or payment of any Dividend on the Class M Preference Shares shall be at the sole and absolute discretion of the Board. Nothing herein contained shall impose on the Board any requirement or duty to resolve to distribute, declare or pay in respect of any fiscal year or period the whole or any part of the profits of the Company available for distribution. No Dividend or any part thereof shall become due or payable on any Dividend Date for the purposes of this **Article 7M** unless the Board has declared or resolved to distribute such Dividend or part thereof with respect to that Dividend Date.

- (e) **Ranking.** The Class M Preference Shares shall rank as regards participation in profits *pari passu* with all other shares of the Company to the extent that they are expressed to rank *pari passu* therewith and in priority to the Company's ordinary shares. The Company may from time to time and at any time create or issue any other shares ranking, as to participation in the profits or the assets of the Company, *pari passu* with or junior to:

- (i) the Class M Preference Shares; or
- (ii) any other Parity Obligations (as defined below),

in each case without the prior approval of the Class M Preference Shareholders and the holders of all other Parity Obligations and the creation or issue by the Company of such shares (regardless of the dividends and

other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable) shall be deemed not to constitute a variation of the rights attached to the Class M Preference Shares.

The Company shall not create or issue any other shares ranking, as to participation in the profits or the assets of the Company, senior or in priority to:

- (aa) the Class M Preference Shares; or
- (bb) any other Parity Obligations,

unless approved by the Class M Preference Shareholders and the holders of all other Parity Obligations, acting as a single class in accordance with **Article 7M(5)** below.

"Parity Obligations" means (I) any preference shares or other similar obligations of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis (including, without limitation, the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares) or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares or (II) any preference shares or other similar obligations of any subsidiary of the Company that constitute Tier 1 capital of the Company on an unconsolidated basis or have characteristics similar to securities that could qualify as Tier 1 capital of the Company on an unconsolidated basis and are not expressly stated to rank in all material respects senior or junior to the Class A Preference Shares, the Class B Preference Shares, the Class C Preference Shares, the Class D Preference Shares, the Class E Preference Shares, the Class F Preference Shares, the Class G Preference Shares, the Class H Preference Shares, the Class I Preference Shares, the Class J Preference Shares, the Class K Preference Shares, the Class L Preference Shares and the Class M Preference Shares.

- (f) **Dividend Restrictions.** Dividends may only be declared and paid out of Distributable Reserves (as defined below). Notwithstanding that the Board may have declared or resolved to distribute any Dividend on any Dividend Date, the Company shall not be obliged to pay, and shall not pay, such Dividend on that Dividend Date (and such Dividend shall not be considered to be due or payable for the purposes of this **Article 7M**) if:
 - (i) the Company is prevented by applicable Singapore banking regulations or other requirements of the Monetary Authority of Singapore ("**MAS**") from making payment in full of dividends or other distributions when due on Parity Obligations; or

- (ii) the Company is unable to make such payment of dividends or other distributions on Parity Obligations without causing a breach of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company; or
- (iii) the aggregate of the amount of such Dividend (if paid in full), together with the sum of any other dividends and other distributions originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year on the Class M Preference Shares or Parity Obligations, would exceed the Distributable Reserves as of the relevant Dividend Determination Date (as defined below).

"Distributable Reserves" means, at any time, the amounts for the time being available to the Company for distribution as a dividend in compliance with Section 403 of the Companies Act, Chapter 50 of Singapore (**"Available Amounts"**) as of the date of the Company's latest audited balance sheet; provided that if the Board reasonably believes that the Available Amounts as of any Dividend Determination Date are lower than the Available Amounts as of the date of the Company's latest audited balance sheet and are insufficient to pay the Dividend and for payments on Parity Obligations on the relevant Dividend Date, then two Directors of the Company shall be required to provide a certificate, on or prior to such Dividend Determination Date, to the Class M Preference Shareholders accompanied by a certificate of the Company's auditors for the time being of the Available Amounts as of such Dividend Determination Date (which certificate of the two Directors shall be binding absent manifest error) and **"Distributable Reserves"** as of such Dividend Determination Date for the purposes of such Dividend shall mean the Available Amounts as set forth in such certificate.

"Dividend Determination Date" means, with respect to any Dividend Date, the day falling two Business Days prior to that Dividend Date.

- (g) **Dividend Limitation Notice.** Without prejudice to the discretion of the Board under **Article 7M(2)(d)** above, if the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares, the Company shall give, on or before the relevant Dividend Determination Date, a notice (**"Dividend Limitation Notice"**) to the share registrar of the Company for the time being (**"Registrar"**) and the Class M Preference Shareholders that the Company will pay no dividends or less than full dividends on such Dividend Date, in which case no dividends or less than full dividends as set out in the Dividend Limitation Notice shall become due and payable on such Dividend Date. The Dividend Limitation Notice shall include a statement to the effect that the Company does not propose or intend to pay and will not pay its next normal dividend (whether interim or final) on its ordinary shares and identify the specific dividend on the ordinary shares that will not be paid.

Each Dividend Limitation Notice shall be given in writing by mail to each Class M Preference Shareholder, except that where the Class M Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of giving notice in writing by mail to such shareholder, determine to publish such notice on such stock exchange(s). So long as the Class M

Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class M Preference Shares are listed on Singapore Exchange Securities Trading Limited ("**SGX-ST**") and the rules of the SGX-ST so require, each Dividend Limitation Notice shall be published in accordance with **Article 7M(10)(b)** below.

- (h) **Pro Rata Dividend Payment.** If, whether by reason of the provisions of **Article 7M(2)(f)** above or the terms of a Parity Obligation, on the relevant Dividend Date, a Dividend which has been declared is not paid in full on the Class M Preference Shares or dividends or other distributions are not paid in full on any Parity Obligations, but on such Dividend Date there are Distributable Reserves, then each Class M Preference Shareholder shall be entitled to receive the Relevant Proportion (as defined below) of any such Dividend if the Company shall have declared and paid dividends or other distributions on any Parity Obligations during the Company's then-current fiscal year.

"**Relevant Proportion**" means:

- (i) in relation to any partial payment of a Dividend, the amount of Distributable Reserves as of the relevant Dividend Determination Date divided by the sum of:

- (aa) the full amount originally scheduled to be paid by way of Dividend (whether or not paid in whole or part) during the Company's then-current fiscal year; and
- (bb) the sum of any dividends or other distribution or payments in respect of Parity Obligations originally scheduled to be paid (whether or not paid in whole or part) during the Company's then-current fiscal year,

converted where necessary into the same currency in which Distributable Reserves are calculated by the Company; and

- (ii) in relation to any partial payment of any Liquidation Distribution (as defined below), the total amount available for any such payment and for making any liquidation distribution on any Parity Obligations divided by the sum of:

- (aa) the full Liquidation Distribution before any reduction or abatement hereunder; and
- (bb) the amount (before any reduction or abatement hereunder) of the full liquidation distribution on any Parity Obligations,

converted where necessary into the same currency in which liquidation payments are made to creditors of the Company.

- (i) **Payments; No Further Rights to Participate in Profits.** Payments of Dividends shall, if due and payable under this **Article 7M**, be made to the Class M Preference Shareholders on the register at any date selected by the Board not less than six Business Days prior to the relevant Dividend

Date. Save as set out in this **Article 7M**, the Class M Preference Shares shall not confer any right or claim as regards participation in the profits of the Company.

(j) **Dividend Stopper.** In the event any Dividend is not paid in full for any reason on any Dividend Date, the Company shall not:

(i) declare or pay any dividends or other distributions in respect of, or (if permitted) repurchase or redeem, its ordinary shares or any other security of the Company ranking *pari passu* or junior to the Class M Preference Shares (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any such shares or securities); or

(ii) declare or pay, or permit any subsidiary of the Company (other than a subsidiary of the Company that carries on banking business) to declare or pay, any dividends or other distributions in respect of any Parity Obligations, or (if permitted) repurchase or redeem any Parity Obligations (or contribute any moneys to a sinking fund for the payment of any dividends or other distributions in respect of, or for the redemption of, any Parity Obligations),

in each case until it has paid Dividends in full in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months (or an amount equivalent to the Dividends to be paid in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 calendar months has been paid or irrevocably set aside in a separately designated trust account for payment to the Class M Preference Shareholders).

(k) **Prescription.** Any Dividend unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and revert to the Company. No Dividends or other moneys payable on or in respect of a Class M Preference Share shall bear interest against the Company.

(l) **Net Dividends.** For the avoidance of doubt:

(i) while the Company remains on the imputation system of taxation (which shall not be longer than the Transition Period (as defined below)), all references in this **Article 7M** to any amount of Dividends payable by the Company shall be construed as references to net Dividend amounts, exclusive of Tax Credits (as defined below); and

(ii) nothing in this Constitution obliges the Company (whether during or after the Transition Period):

(aa) to pay, or make available to any Class M Preference Shareholders, any Tax Credits in respect of any Dividends or otherwise to compensate any Class M Preference Shareholders for not paying or not making available such Tax Credits;

(bb) to remain on the imputation system of taxation, regardless of whether the Company has any Tax Credits; or

- (cc) to ensure that it has any Tax Credits at any time, regardless of whether any Class M Preference Shares are outstanding as of such time.

“**Tax Credits**” means the amounts representing tax paid by the Company which is imputed to, and deemed to be paid on behalf of, the Class M Preference Shareholders when the Company distributes taxed income as dividends or other moneys payable on or in respect of a Class M Preference Share.

“**Transition Period**” means the five-year transitional period from 1 January 2003 to 31 December 2007 allowed by the Inland Revenue Authority of Singapore in its circular of 15 August 2002 for Singapore resident companies with unutilised Section 44 of the Income Tax Act balances as of 31 December 2002 to remain on the imputation system (before moving to the new one-tier corporate tax system) for the purpose of paying franked dividends (that is, dividends that carry tax credit).

(3) **Liquidation Distributions**

- (a) **Rights Upon Liquidation.** In the event of the commencement of any dissolution or winding-up of the Company (other than pursuant to a Permitted Reorganisation (as defined below)) before any redemption of the Class M Preference Shares, the Class M Preference Shares shall rank:
 - (i) junior to depositors and all other creditors (including the holders of subordinated debt) of the Company;
 - (ii) *pari passu* with all Parity Obligations of the Company; and
 - (iii) senior to the holders of the Company’s ordinary shares and any other securities or obligations of the Company that are subordinated to the Class M Preference Shares.

On such a dissolution or winding-up, each Class M Preference Share shall be entitled to receive in Singapore dollars an amount equal to the Liquidation Distribution.

“**Liquidation Distribution**” means, upon a dissolution or winding-up of the Company, the Liquidation Preference together with, subject to the restrictions in **Article 7M(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividend (whether or not declared) from, and including, the commencement date of the Dividend Period in which the date of the dissolution or winding-up falls to but excluding the date of actual payment.

“**Permitted Reorganisation**” means a solvent reconstruction, amalgamation, reorganisation, merger or consolidation whereby all or substantially all the business, undertaking and assets of the Company are transferred to a successor entity which assumes all the obligations of the Company under the Class M Preference Shares.

- (b) **Pro Rata Liquidation Distribution.** If, upon any such dissolution or winding-up of the Company, the amounts available for payment are insufficient to cover the Liquidation Distribution and any liquidation

distributions of any Parity Obligation, but there are funds available for payment so as to allow payment of part of the Liquidation Distribution, then each Class M Preference Shareholder shall be entitled to receive the Relevant Proportion of the Liquidation Distribution.

- (c) **No Further Rights to Participate in Assets.** Save as set out in this **Article 7M**, the Class M Preference Shares shall not confer any right or claim as regards participation in the assets of the Company.

(4) Redemption

- (a) **Optional Redemption.** The Company may, at its option, redeem in whole, but not in part, the Class M Preference Shares for the time being issued and outstanding:

- (i) on the date falling five and a half years after the Issue Date;
- (ii) on the date falling 10 years after the Issue Date; and
- (iii) on each Dividend Date thereafter (that is, after the date falling 10 years after the Issue Date),

in each case subject to the satisfaction of the Redemption Conditions (as defined below) and to Singapore law.

"Redemption Conditions" means that:

- (aa) the prior written consent of the MAS to the redemption, if then required, has been obtained and that any conditions that the MAS may impose at the time of any consent, if then required, have been satisfied; and
- (bb) the Distributable Reserves of the Company and/or Replacement Capital (as defined below) as at the date for redemption equals at least the Liquidation Preference and the full amount of any accrued but unpaid Dividend (whether or not declared) in respect of the Dividend Period in which the relevant redemption falls.

"Replacement Capital" means ordinary shares and/or Parity Obligations issued for the purpose of funding the redemption of the Class M Preference Shares.

- (b) **Tax Event Redemption.** If at any time a Tax Event (as defined below) has occurred and is continuing, then the Class M Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice (as defined in **Article 7M(4)(f)** below):
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and

- (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Tax Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Tax Event for all purposes of this **Article 7M**.

"Tax Event" means that, as a result of any change after the date of issuance of the Class M Preference Shares in, or amendment to, any law or regulation of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of any law or regulation by any relevant body in Singapore, payments to the Class M Preference Shareholders:

- (i) would be subject to deduction or withholding for or on account of tax; or
- (ii) would give rise to any obligation of the Company to account for any tax in Singapore at a rate in excess of the rate in effect immediately prior to such issuance,

and such obligation cannot in each case be avoided by the Company taking reasonable measures available to it.

- (c) **Special Event Redemption.** If at any time a Special Event (as defined below) has occurred and is continuing, then the Class M Preference Shares may be redeemed, in whole but not in part, at the option of the Company, subject to:

- (i) the satisfaction of the Redemption Conditions; and
- (ii) the Company attaching to the relevant Redemption Notice:
 - (aa) a certificate signed by two Directors of the Company stating that the Company is entitled to effect such redemption; and
 - (bb) an opinion of counsel to the Company experienced in such matters to the effect that a Special Event has occurred.

The delivery of such opinion shall constitute conclusive evidence of the occurrence of a Special Event for all purposes of this **Article 7M**.

"Special Event" means for any reason there is more than an insubstantial risk that for the purposes of the MAS' published consolidated or unconsolidated capital adequacy requirements from time to time applicable to the Company, the Class M Preference Shares may not be included in the Tier 1 capital of the Company on a consolidated or unconsolidated basis.

- (d) **M&A Redemption.** In the event that the Class M Preference Shares were issued for the purpose of a merger with, or an acquisition by, the Company and such merger or acquisition is aborted, then the Company may, subject to the satisfaction of the Redemption Conditions, redeem the Class M Preference Shares, in whole but not in part, for cash at the Redemption Amount (as defined below) by giving not less than 30 nor more than 60

days' notice to the holders of the Class M Preference Shares in the manner set out in **Article 7M(4)(f)** below (which notice shall be irrevocable). On the date of redemption specified in such notice, the Company shall be bound to redeem the Class M Preference Shares on payment of the Redemption Amount.

- (e) **Cash Redemption.** Any redemption of the Class M Preference Shares shall be made in cash.

- (f) **Redemption Notice.** If the Class M Preference Shares are to be redeemed, a notice of redemption (each, a "**Redemption Notice**") shall be mailed to each holder of the Class M Preference Shares to be redeemed, not less than 30 days nor more than 60 days prior to the relevant date of redemption ("**Redemption Date**"), except that where the Class M Preference Shares are listed on one or more stock exchanges, the Company may, in lieu of mailing the notice to such shareholder, determine to publish such notice on such stock exchange(s) not less than 30 days nor more than 60 days prior to the Redemption Date. So long as the Class M Preference Shares are listed on one or more stock exchanges and the rules of such stock exchange(s) so require, notices shall also be published in such manner as the rules of such stock exchange(s) may require. In addition, for so long as the Class M Preference Shares are listed on the SGX-ST and the rules of the SGX-ST so require, each Redemption Notice shall be published in accordance with **Article 7M(10)(b)** below.

Each Redemption Notice shall specify *inter alia*:

- (i) the Redemption Date;
- (ii) the Class M Preference Shares to be redeemed on the Redemption Date; and
- (iii) the place or places where the Class M Preference Shareholders may surrender share certificates (if applicable) in respect of the Class M Preference Shares and obtain payment of the Redemption Amount.

No defect in the Redemption Notice or in its mailing shall affect the validity of the redemption proceedings.

- (g) **Redemption Amount.** The cash amount ("**Redemption Amount**") payable on redemption is an amount equal to the Liquidation Preference, together with, subject to the restrictions in **Article 7M(2)(f)** above and unless a Dividend Limitation Notice is in effect, an amount equal to any accrued but unpaid Dividends (whether or not declared) in respect of the period commencing on the first day of the Dividend Period in which the relevant redemption falls to but excluding the date of such redemption.

The Redemption Amount shall be notified to each holder of the Class M Preference Shares to be redeemed as soon as reasonably practicable after the Redemption Amount has been determined (and in any event, not later than two Business Days before the relevant Redemption Date) and otherwise in the manner set out in **Article 7M(4)(f)** above.

Any such redemption shall not prejudice the rights of the holder of the Class M Preference Shares to be so redeemed to receive any accrued but unpaid Dividend payable on the Redemption Date.

- (h) **Payments.** Payments in respect of the amount due on redemption of a Class M Preference Share shall be made by cheque or such other method as the Directors of the Company may specify in the Redemption Notice not later than the date specified for the purpose in the Redemption Notice. Payment shall be made against presentation and surrender of the share certificate (if applicable) in respect of the relevant Class M Preference Shares at the place or one of the places specified in the Redemption Notice.
- (i) **Discharge.** A receipt given by the holder for the time being of any Class M Preference Share (or in the case of joint holders by the first-named joint holder) in respect of the amount payable on redemption of the Class M Preference Share shall constitute an absolute discharge to the Company.

(5) Voting

- (a) **General.** Except as provided in this **Article 7M(5)**, the Class M Preference Shareholders shall not be entitled to attend and vote at general meetings of the Company.
- (b) **Class Meetings.** The Class M Preference Shareholders shall be entitled to attend class meetings of the Class M Preference Shareholders. Every Class M Preference Shareholder who is present in person at such class meetings shall have on a show of hands one vote and on a poll one vote for every Class M Preference Share of which he is the holder.
- (c) **General Meetings.** If Dividends with respect to the Class M Preference Shares in respect of such number of consecutive Dividend Periods as shall be equal to or exceed 12 months have not been paid in full when due, then the Class M Preference Shareholders shall have the right to receive notice of, attend, speak and vote at general meetings of the Company on all matters, including the winding-up of the Company, and such right shall continue until after the next following Dividend Date on which a Dividend in respect of the Class M Preference Shares is paid in full (or an amount equivalent to the Dividend to be paid in respect of the next Dividend Period has been paid or irrevocably set aside in a separately designated trust account for payment to the Class M Preference Shareholders). Every Class M Preference Shareholder who is present in person at such general meetings shall have on a show of hands one vote and on a poll one vote for every Class M Preference Share of which he is the holder.

(6) Purchases

The Company may at any time and from time to time exercise any powers conferred by applicable Singapore law in purchasing the Class M Preference Shares. No repurchase of any Class M Preference Shares shall be made without the prior consent of the MAS (for so long as the Company is required to obtain such consent).

(7) Taxation

All payments in respect of the Class M Preference Shares shall be made after deducting or withholding all amounts for or on account of any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of Singapore or any authority thereof or therein having power to tax and which are required by applicable law to be deducted or withheld.

The Company shall not pay any additional amounts in respect of any such deduction or withholding from payments in respect of the Class M Preference Shares for or on account of any such present or future taxes, duties, assessments or governmental charges.

No payment in respect of the Class M Preference Shares shall be made by the Company to any Class M Preference Shareholder without deduction or withholding for or on account of any such present or future taxes, duties, assessments or governmental charges unless such Class M Preference Shareholder shall have provided a statutory declaration or other evidence satisfactory to the Company that the beneficial owner of such payment:

- (a) is a resident in Singapore for tax purposes; or
- (b) is otherwise entitled to receive such payment free of any such deduction or withholding.

If requested by a Class M Preference Shareholder, the Company shall procure that such person shall be furnished with a certificate specifying the gross amount of such payment, the amount of tax deducted or withheld and the net amount of such payment.

For the avoidance of doubt, this **Article 7M(7)** shall not apply in respect of any deduction of tax made or deemed to be made under Section 44 of the Income Tax Act (which gives effect to the imputation system referred to in **Article 7M(2)(l)** above).

(8) Variations of Rights and Further Issues

Unless otherwise required by applicable law, any variation or abrogation of the rights, preferences and privileges of the Class M Preference Shares by way of amendment of the Constitution or otherwise (including, without limitation, the authorisation or creation of any securities or ownership interests of the Company ranking, as to participation in the profits or assets of the Company, senior to the Class M Preference Shares) shall require:

- (a) the consent in writing of the holders of at least 75 per cent. of the outstanding Class M Preference Shares; or
- (b) the sanction of a special resolution passed at a separate class meeting of the Class M Preference Shareholders (the quorum at such class meeting to be such number of Class M Preference Shareholders holding or representing not less than two-thirds of the outstanding Class M Preference Shares),

provided that:

- (i) no such consent or sanction shall be required if the change is solely of a formal, minor or technical nature or is to correct an error or cure an ambiguity (but such change shall not reduce the amounts payable to the Class M Preference Shareholders, impose any material obligation on the Class M Preference Shareholders or materially adversely affect their voting rights);
- (ii) no such consent or sanction shall be required for the creation or issue of further shares of the Company ranking *pari passu* with or junior to the Class M Preference Shares (the creation or issue of such other shares, regardless

of the dividends and other amounts payable in respect of such shares and whether and when such dividends and other amounts may be so payable, shall not be deemed to be a variation or abrogation of the rights, preferences and privileges of the Class M Preference Shares);

- (iii) no such consent or sanction shall be required for the redemption, purchase or cancellation of the Class M Preference Shares in accordance with this Constitution; and
- (iv) no provision of Class M Preference Shares may be amended without the prior written consent of the MAS if such amendment would result in the Class M Preference Shares not being treated as Tier 1 capital of the Company on a consolidated or unconsolidated basis.

The Company shall cause a notice of any meeting at which any Class M Preference Shareholder is entitled to vote, and any voting forms, to be mailed to each Class M Preference Shareholder in accordance with **Article 7M(10)** below. Each such notice shall include a statement setting forth **(aa)** the date, time and place of such meeting, **(bb)** a description of any resolution to be proposed for adoption at such meeting on which such holders are entitled to vote and **(cc)** instructions for the delivery of proxies.

(9) Transfer of Preference Shares

An instrument of transfer of a share which is in certificated form must be in writing in any usual form or other form approved by the Directors of the Company and must be executed by or on behalf of the transferor and by or on behalf of the transferee. The transferor shall remain the holder of the shares transferred until the name of the transferee is entered in the register of members of the Company in respect thereof.

The Directors of the Company may, in the case of transfers of Class M Preference Shares in certificated form, at their absolute discretion and without assigning any reason therefor, refuse to register:

- (a) any transfer of a Class M Preference Share (not being a fully paid Class M Preference Share); provided that where any Class M Preference Shares are listed on the SGX-ST or any other stock exchange or quotation system, such discretion may not be exercised in such a way as to prevent dealings in the Class M Preference Shares from taking place on an open and proper basis; and
- (b) any transfer of a Class M Preference Share on which the Company has a lien.

The Directors of the Company may also decline to register a transfer unless the instrument of transfer is duly stamped (if so required).

The Class M Preference Shares are in registered form. The registration of share transfers may be suspended at such times and for such periods as the Directors of the Company may determine not exceeding 30 days in any year.

(10) Notices or Other Documents

- (a) **Delivery of Notice.** Any notice or other document may be served by the Company upon any holder of the Class M Preference Shares in the manner provided in this Constitution. Any such notice or document shall be deemed to be served and delivered in accordance with this Constitution.

- (b) **Newspaper Publication.** For so long as the Class M Preference Shares are listed on the SGX-ST and the SGX-ST so requires, notice shall also be published in a leading English language daily newspaper having general circulation in Singapore.

(11) Others

In the event of any conflict or inconsistency between the provisions of this **Article 7M** and the other provisions of this Constitution, then the provisions of this **Article 7M** shall prevail.

VARIATION OF RIGHTS

12. Whenever the share capital of the Company is divided into different classes of shares, subject to the provisions of the Statutes, preference capital, other than redeemable preference capital, may be repaid and the special rights attached to any class may be varied or abrogated either with the consent in writing of the holders of three-quarters of the issued shares of the class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so repaid, varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up. To every such separate General Meeting all the provisions of this Constitution relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two persons at least holding or representing by proxy at least one-third of the issued shares of the class and that any holder of shares of the class present in person or by proxy may demand a poll and that every such holder shall on a poll have one vote for every share of the class held by him, Provided always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, consent in writing if obtained from the holders of three-quarters of the issued shares of the class concerned within two months of such General Meeting shall be as valid and effectual as a Special Resolution carried at such General Meeting. The foregoing provisions of this Article shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the special rights whereof are to be varied.
13. The special rights attached to any class of shares having preferential rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto.

Variation of rights

Issue of further shares ranking *pari passu*

ALTERATION OF SHARE CAPITAL

14. (1) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted under the listing rules of the SGX-ST, all new shares shall, before issue, be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. The offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this **Article 14(1)**.
- (2) Notwithstanding **Article 14(1)**, the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:
- (a) (i) issue ordinary shares in the Company (“**ordinary shares**”) whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require ordinary shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into ordinary shares; and

Offer of new shares to members

General authority to issue ordinary shares

- (b) (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue ordinary shares in pursuance of any Instrument made or granted by the Directors while the Ordinary Resolution was in force,

provided that:

- (I) the aggregate number of ordinary shares to be issued pursuant to the Ordinary Resolution (including ordinary shares to be issued in pursuance of Instruments made or granted pursuant to the Ordinary Resolution) shall be subject to such limits and manner of calculation as may be prescribed by the SGX-ST;
- (II) in exercising the authority conferred by the Ordinary Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance is waived by the SGX-ST) and this Constitution; and
- (III) (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Statutes (whichever is the earliest).

- (3) Notwithstanding **Article 14(1)** but subject to the Statutes, the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:

General authority to issue preference shares

- (a) issue preference shares or non-voting shares of the Company whether by way of rights, bonus or otherwise; and/or
- (b) make or grant offers, agreements or options that might or would require preference shares or non-voting shares to be issued and (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue preference or non-voting shares, as the case may be, in pursuance of any offers, agreements or options made or granted by the Directors while the Ordinary Resolution was in force,

provided that (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Companies Act (whichever is the earliest).

- (4) Except so far as otherwise provided by the conditions of issue or by this Constitution, all new shares shall be subject to the provisions of the Statutes and of this Constitution with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

New shares subject to the Statutes and this Constitution

15. (1) The Company may by Ordinary Resolution:

- (a) consolidate and divide all or any of its shares;
- (b) sub-divide its shares, or any of them (subject, nevertheless, to the provisions of the Statutes and this Constitution), and so that the resolution whereby any share is sub-divided may determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may, as compared with the others, have

Power to consolidate, sub-divide and redenominate shares

18. Without prejudice to any special rights previously conferred on the holders of any shares or class of shares for the time being issued, any share in the Company may be issued with such preferred, deferred or other special rights, or subject to such restrictions, whether as regards dividend, return of capital, voting or otherwise, as the Company may from time to time by Ordinary Resolution or, if required by the Statutes, by Special Resolution determine (or, in the absence of any such determination, but subject to the Statutes, as the Directors may determine) and subject to the provisions of the Statutes, the Company may issue preference shares which are, or at the option of the Company are, liable to be redeemed. Rights and privileges of new shares

- | | | |
|-----|---|---------------------------------------|
| 20. | The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. Such commissions or brokerage may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. | Power to pay commission and brokerage |
| 21. | Subject to the terms and conditions of any application for shares, the Directors shall allot shares applied for within ten Market Days of the closing date (or such other period as may be approved by any Stock Exchange upon which shares in the Company may be listed) of any such application. The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder or (as the case may be) before that share is entered against the name of a Depositor in the Depository Register, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose. | Allotment of shares |

SHARE CERTIFICATES

- | | | |
|---------|--|---------------------------------------|
| 22. | Every share certificate shall be issued under the Seal and shall specify the number and class of shares to which it relates, whether the shares are fully or partly paid up, and the amount (if any) unpaid thereon and shall bear the autographic or facsimile signatures of one Director and the Secretary or a second Director or some other person appointed by the Directors. The facsimile signatures may be reproduced by mechanical, electronic or other method approved by the Directors. No certificate shall be issued representing shares of more than one class. | Share certificates |
| 23. (1) | The Company shall not be bound to register more than three persons as the registered holders of a share except in the case of executors or administrators (or trustees) of the estate of a deceased member. | Joint holders |
| (2) | In the case of a share registered jointly in the names of several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to any one of the registered joint holders shall be sufficient delivery to all. | Issue of certificate to joint holders |
| 24. | Every person whose name is entered as a member in the Register of Members shall be entitled to receive, within ten Market Days (or such other period as may be approved by any Stock Exchange upon which shares in the Company may be listed) of the closing date of any application for shares or, as the case may be, the date of lodgement of a registrable transfer, one certificate for all his shares of any one class or several certificates in reasonable denominations each for a part of the shares so allotted or transferred. Where such a member transfers part only of the shares comprised in a certificate, the old certificate shall be cancelled and a new certificate or certificates for the balance of such shares issued in lieu thereof and such member shall pay a maximum fee of S\$2 for each new certificate or such other fee as the Directors may from time to time determine having regard to any limitation thereof as may be prescribed by any Stock Exchange upon which shares in the Company may be listed. | Entitlement to certificate |
| 25. (1) | Any two or more certificates representing shares of any one class held by any person whose name is entered in the Register of Members may at his request be cancelled and a single new certificate for such shares issued in lieu without charge. | Consolidation of share certificates |
| (2) | If any person whose name is entered in the Register of Members shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request. Such person shall (unless such fee is waived by the Directors) pay a maximum fee of S\$2 for each share certificate issued in lieu of a share certificate surrendered for cancellation or such other fee as the Directors may from time to time determine having regard to any limitation thereof as may be prescribed by any Stock Exchange upon which shares in the Company may be listed. | Sub-division of share certificates |

- | | | |
|-----|---|--------------------------------|
| (3) | In the case of shares registered jointly in the names of several persons any such request may be made by any one of the registered joint holders. | Requests by joint holders |
| 26. | Subject to the provisions of the Statutes, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, or shall be required to be renewed or replaced for any other reason, it may be renewed or replaced on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of any Stock Exchange upon which shares in the Company may be listed or on behalf of its or their client or clients as the Directors of the Company shall require, and (in case of defacement or wearing out or if otherwise required by the Directors) on delivery up of the old certificate and in any case on payment of such sum not exceeding S\$2 as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to whom such renewed or replaced certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss. | Replacement share certificates |

CALLS ON SHARES

- | | | |
|-----|---|-------------------------------------|
| 27. | The Directors may from time to time make calls upon the members in respect of any moneys unpaid on their shares but subject always to the terms of issue of such shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments. | Calls on shares |
| 28. | Each member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine. | Notice of calls |
| 29. | If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding ten per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest wholly or in part. | Interest on unpaid calls |
| 30. | Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of this Constitution be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In case of non-payment all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified. | When calls made and payable |
| 31. | The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment. | Power of Directors to differentiate |
| 32. | The Directors may if they think fit receive from any member willing to advance the same, all or any part of the moneys uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish <i>pro tanto</i> the liability upon the shares in respect of which it is made and upon the money so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum) as the member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, while carrying interest, confer a right to participate in profits. | Payment of calls in advance |

FORFEITURE AND LIEN

- | | | |
|-----|---|--|
| 33. | If a member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment. | Notice requiring payment of calls |
| 34. | The notice shall name a further day (not being less than 14 days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited. | Notice to state place and time of payment |
| 35. | If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder. | Forfeiture on non-compliance with notice |
| 36. | A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit and at any time before a sale, re-allotment or disposition the forfeiture or surrender may be cancelled on such terms as the Directors think fit. The Directors may, if necessary, authorise some person to transfer or effect the transfer of a forfeited or surrendered share to any such other person as aforesaid. | Sale of forfeited shares |
| 37. | A member whose shares have been forfeited or surrendered shall cease to be a member in respect of the shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all moneys which at the date of forfeiture or surrender were presently payable by him to the Company in respect of the shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of the shares at that time of forfeiture or surrender or waive payment in whole or in part. | Rights and liabilities of members whose shares have been forfeited |
| 38. | The Company shall have a first and paramount lien on every share (not being a fully paid share) and dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such moneys are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the member or deceased member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Article. | Company to have paramount lien |
| 39. | The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy. | Sale of shares subject to lien |
| 40. | The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assigns, or as he may direct. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer or effect the transfer of the shares sold to the purchaser. | Application of sale proceeds |

41. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt of the Company for the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together (where the same be required) with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, to the Depository or its nominee (as the case may be)) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute good title to the share and the share shall be registered in the name of the person to whom the share is sold, re-allotted or disposed of or, where such person is a Depositor, the Company shall procure that his name be entered in the Depository Register in respect of the share so sold, re-allotted or disposed of. Such person shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

42. All transfers of the legal title in shares may be effected by the registered holders thereof by transfer in writing in the form for the time being approved by any Stock Exchange upon which shares in the Company may be listed or in any other form acceptable to the Directors. The instrument of transfer of any share shall be signed by or on behalf of both the transferor and the transferee and be witnessed, Provided that an instrument of transfer in respect of which the transferee is the Depository or its nominee (as the case may be) shall be effective although not signed or witnessed by or on behalf of the Depository or its nominee (as the case may be). The transferor shall remain the holder of the shares concerned until the name of the transferee is entered in the Register of Members in respect thereof.
43. The Register of Members may be closed at such times and for such period as the Directors may from time to time determine, Provided always that such Register shall not be closed for more than 30 days in any calendar year, Provided always that the Company shall give prior notice of such closure as may be required to any Stock Exchange upon which shares in the Company may be listed, stating the period and purpose or purposes for which the closure is made.
44. (1) There shall be no restriction on the transfer of fully paid-up shares (except where required by law or the listing rules of, or the rules and/or bye-laws governing, any Stock Exchange upon which the shares in the Company may be listed) but the Directors may, in their sole discretion, decline to register any transfer of shares upon which the Company has a lien and in the case of shares not fully paid-up may refuse to register a transfer to a transferee of whom they do not approve, Provided always that in the event of the Directors refusing to register a transfer of shares, they shall within ten Market Days beginning with the date on which the application for a transfer of shares was made, serve a notice in writing to the applicant stating the facts which are considered to justify the refusal as required by the Statutes.

Upon the sale by the Company of such shares, the share certificates relating thereto (if applicable) may (if required) be cancelled by the Company to the extent of the shares sold and the Company may (if necessary) issue replacement share certificates for the balance (if any) of the shares comprised in such share certificates. The title of the purchaser or purchasers shall not be affected by any irregularity or invalidity in the proceedings relating thereto;
- (b) the net proceeds of the disposal of any such shares shall be received by the Company whose receipt shall be a good discharge for the purchase moneys and (subject to any direction by the Minister, if any) shall be paid by the Company (after deduction of any expenses incurred by the Directors in the sale) to the relevant person, as the case may be, (in the case of joint holders, the first of them named in the Register of Members or, as the case may be, the Depository Register) upon surrender (if required) of the certificates for such shares but such proceeds shall under no circumstances carry interest against the Company; and

- (c) if, in relation to a disposal to be made pursuant to the provisions hereof, the Directors are entitled to give notice to more than one person pursuant to the provisions of **Article 45(1)(i)**, it shall be for the Directors to decide the persons and (if more than one person, the proportion of) the shares which shall be the subject of such notice, and in making any such decision, the Directors shall apply such criterion or criteria as they shall consider appropriate and their decision shall be final and conclusive.
