

Frequently Asked Questions for the S\$80 Watsons Vouchers Promotion

1. Which transactions count towards the minimum spending requirement of S\$80?

We recommend that you use your Card to pay for shopping and/or dining, whether in stores or online. Please read our [Terms and Conditions](#) to see which transactions qualify.

2. How do I know if I am a new OCBC cardmember?

You will be considered a new OCBC cardmember if you:

- Have never applied for an OCBC credit card; or
- Have not had an OCBC credit card in the last 12 months.

If you have an OCBC credit card that is no longer being issued (e.g. OCBC Plus! Credit Card), the card must have been cancelled at least 12 months before your submitting a new application. You may refer to the letter we sent you about the cancellation of your card or call us for details.

3. If I apply for both the OCBC 365 Credit Card and OCBC Rewards Card, can I earn two sets of vouchers?

No. You will only earn one set of vouchers after you meet the minimum spending requirement.

4. I wish to start making transactions but I have yet to receive my physical card. What should I do?

You may use your digital card while waiting for your physical one to arrive. Please refer to the SMS we sent you recently for the instructions to retrieve your digital card.
